NORTH ABINGTON

EDWARD P. KIRBY (R)
WHITMAN

1971 State Census — 8,249

TOWN DATA

Norwell is situated in Southeastern Massachusetts, bordered by the Towns of Hanover and Rockland on the west, Pembroke on the south, Marshfield and Scituate on the east and northeast, and Hingham on the north.

The town covers 20.98 square miles and is 22 miles south of Boston and 14 miles east of Brockton. In 1950 the population was 2,515 people, and in 1960 had increased to 5,207 people, an increase of 107%, one of the largest percentage increases in the State of Massachusetts. In 1965 the population was 6,387, which indicates that although slightly down on an annual average the population growth is substantial. Population in 1971 is 8,249.

The town was settled in 1634 and in 1888 adopted its name from Henry Norwell, a prominent summer resident. It has a Town Meeting form of government with a Moderator, Board of Selectmen, Board of Assessors, Planning Board, Town Clerk, Treasurer and Highway Surveyor.

Three main roads run through the town; Routes 53 (formerly Route 3), Route 123, and the newly-relocated Route 3 (known as the Southeast Expressway). The Plymouth and Brockton Street Railway serves the town with four buses daily, 5 days a week, with service to points north and terminating in the City of Boston.

Public utilities available in the town are: Electric power by The Brockton Edison Company, gas by The Brockton-Taunton Gas Company, telephone service by the New England Telephone Company, and the Town has its own water department.

JOHN D. HEWITT

SELECTMEN'S ANNUAL REPORT

As taxpayers and voters, we must *put a damper on Town expenditures*. Norwell's operating expenses, salaries, debt and interest payments are spiraling higher each year:

YEAR	SPENT	INCREASE
1972	\$4,469,573.00	\$886,459.00
1971	3,583,114.00	477,589.00
1970	3,105,525.00	381,544.00

The interest and principal payments on the new High School less the 65% reimbursement which the Town hopes to receive on the 1973 Cherry Sheet will add approximately one million dollars to the money the Town must raise for the next eighteen months under Article 2 before any money is raised for operating expenses or capital outlay.

Despite the hope that some of our new capital expenditures might have been postponed and scheduled for later years, 1972 was another big year of new projects approved:

- New Library
- New Library program room addition
- Tree Warden — site and garage
- Sparrell School renovation plans
- New bulldozer garage at dump

We will be asked to vote in 1973 for:

- New Town Hall addition
- Golf Course with swimming pool and other recreational facilities

And, last but not least:

- State Law requires that towns convert to a new fiscal year basis running from July 1st to June 30th, which means an 18-month budget must be appropriated at this March Town Meeting.

The Fiscal Cycle Bill brings counties, cities and towns into conformity with the fiscal cycle of the Federal and State Governments and after this 18-month transitional period will operate in the following manner:

1. Improve budget procedures:

OLD CALENDAR YEAR BASIS	NEW FISCAL YEAR BASIS
Budgets approved at March Town Meeting.	Budgets approved at March Town Meeting.
—	—
Expenditures begin 3½ months <i>before</i> approval of the budget — on January 1st.	Expenditures begin 2½ months <i>after</i> approval of the budget — on July 1st.

Having a final approved budget before the expenditures for the year begin will reduce the guess work in figuring how much money will be available and will eliminate the problem of retroactive pay increases.

2. Establish semi-annual property tax payments:

OLD
CALENDAR YEAR BASIS

All taxes are payable by *November 1st* and 8% interest is charged on any unpaid balance from October 1st.

NEW
FISCAL YEAR BASIS

Half the taxes are payable by *November 1st* and 8% interest on any unpaid balance of that half from October 1st. It is the intent that the other half of the taxes will be payable the *following May 1st* with 8% interest on any unpaid balance of that half from *April 1st*.

3. Reduce the Town's borrowing needs:

OLD
CALENDAR YEAR BASIS

Town's expenditures start January 1st — ten months before full tax payments are made (November 1).

NEW
FISCAL YEAR BASIS

Town's expenditures start July 1st, four months before half tax payments are made (November 1).

Towns must borrow funds for *ten months* to meet operation costs (January 1 — November 1).

Towns need borrow funds for only *four months* to meet operating costs (July 1 — November 1).

4. Give new construction a six month "free tax ride":

OLD
CALENDAR YEAR BASIS

January 1st is the legal assessment date for property evaluation.

NEW
FISCAL YEAR BASIS

January 1st remains the legal assessment date for property evaluation.

Construction and improvement work done on property after January 1st in any year is not included in the *assessed valuation until January 1st of the following year*.

Construction and improvement work done on property after January 1st is *not included* in the *assessed valuation until July 1st of the following year*.

This results in an *extra six months exemption* for property taxpayers on such new construction when compared with the present calendar year basis.

The Fiscal Cycle Bill, however, will require adjustments in our planning and appropriations at our March 1973 Annual Meeting.

1. All budgets will be figured for 18 months, to run from January 1973 to June 30, 1974.
2. Tax bills will be mailed out for 18 months (covering January 1, 1973 to June 30, 1974. Two-thirds of this tax bill (January 1, 1973 to January 1, 1974) must be paid November 1, 1973. One-third of this bill (January 1,

1974 to June 30, 1974) is now scheduled for payment April 1, 1974.

3. Some Town expenses can be budgeted for 18 months at 150% of their 12-month figure. Other budgets, such as snow and ice removal, or heating costs, which occur mostly in December, January, February and March, will necessitate a two-year budget for this 18-month period.
4. Because of many unknown or difficult-to-estimate expenses, when looking ahead, such as:
 - New High School operation and staff — no estimate available,
 - New Library operation and staff — already estimated at \$65,000.00.
 - Cost-of-living increases,
 - Problems of our dump operation,

the Town's free cash, Stabilization Fund and Reserve Fund should be *increased* — not expended — to insure against unforeseen expenses in the last six-month period (January 1, 1974 to June 30, 1974). No funds can be raised from tax sources, even though needed, after the March, 1973 Town Meeting until the new fiscal year begins in July, 1974.

This past Fall your Selectmen visited the Sudbury Town Engineer, discussed his programs and saw his office and planning room. We are putting an article in the 1973 Annual Town Warrant for approval of a Town Engineer for Norwell, with proper financial appropriations to support this new position. We are confident from our studies that such an appointment will:

- probably cost no more than the Town now pays in total to the different engineers, engineering firms and surveyors used independently by our various committees.
- coordinate the engineering work and recommendations of the different Town Departments more efficiently and effectively.
- develop better communications between such departments as our Highway, Water and Drainage Departments and eliminate some of the delays and disagreements we have experienced for many years past in getting work for these departments completed.
- develop and maintain central survey, planning and aerial map layouts of the whole Town, all of which are much needed by our Conservation and Planning Boards, as well as the departments mentioned above.

Your Selectmen ask the voters to consider seriously this long-time need and give approval to a new Town Engineer and his budget requirements at the coming March Town Meeting.

Norwell's Chapter 90 Highway Reconstruction Program received a setback in 1972. This is the arrangement whereby the Town accepts County-engineered layouts on approved highways in the Town. In return, the State reimburses Norwell 50% and the County reimburses Norwell 25% for any approved reconstruction work on such approved layouts. Norwell voters rejected the Norwell Avenue layout in 1971 and at a hearing on a High Street Layout, rejected this street also. Therefore, our Town was unable to qualify for any Chapter 90 funds in 1972.

The Selectmen have applied for our share of Chapter 90 funds for 1973 and 1974 to be used for several projects already tentatively approved by the County

and at voter hearings:

- Resurfacing work on River and Main Streets
- Resurfacing of Pond Street
- Reconstruction, jointly with Hanover, of Mill Street Bridge.
- Reconstruction of Mill Street.

With Hanover's closing of Pond Street, the reconstruction of Mill Street Bridge is vital to Norwell residents.

The State has passed a supplementary Highway Aid Bill, which will approximately double each town's Chapter 90 allotments over the next five years. We hope to be able to take advantage of these extra funds for our roadway reconstruction work, as outlined above, and have made such application.

The State also augmented Chapter 90 benefits with new funds for the reconstruction of unsafe traffic areas which may be situated on approved Chapter 90 layed out roads. Such work will be eligible for 100% reimbursement under Chapter 87. We have already applied for and had approval from the State and County for reconstruction of that very accident-prone intersection of Old Oaken Bucket Road, Norwell Avenue and Central Street. This reconstruction will also correct the drainage problems we have had at this spot. The work will start as soon as the details can be completed.

1972 was the first year of a five-year street lighting improvement plan. Each year beginning with 1972 and ending with 1976, a number of the out-moded incandescent street lights will be converted to a new style mercury street light which greatly improves the visibility and safety of our highways. Each year, also, a scheduled number of mercury vapor lights will be installed in new needed locations. This whole program was worked out by the Brockton Edison Area Lighting Engineer in conjunction with Town Safety Officer Baldwin, Highway Surveyor Joseph and the Selectmen. Adequate lighting is a vital part of accident and vandalism control at night.

Ten years ago a program of house and street numbering was voted by the Selectmen, to be done by a volunteer force of voters. The work stopped before completion several years ago. With our new State Law ordering the division of the Town into three new voting districts (no such district to exceed 4,000 population) a companion ruling required the numbering of all houses on the Town's accepted roadways. This numbering project has now been completed for the entire Town.

The Selectmen also, per State directive, have redistricted Norwell into three election precincts to be effective January 1, 1973. The boundaries of these three new precincts are outlined below:

Precinct 1 — Everything west of Precinct 2.

Precinct 2 — *Northern border* is the Hingham Town Line.

- *Western border* is a line made by and *including* the following: Prospect Street from the Hingham Line to Jacobs Lane (including Walnut Street), Jacobs Lane, Main Street from Jacobs Lane to the Third Herring Brook, thence following the Third Herring Brook from Main Street to South Street intersection.
- *Southern border* — the North River from the Third Herring Brook to the Southeast Expressway.

— *Eastern Border* — a line made by, but *not including* the following:
 Mt. Blue Street from Hingham Line to Lincoln Street, thence
 Lincoln Street from Mt. Blue Street to Main Street, thence Main
 Street from Lincoln Street to the Second Herring Brook, thence
 the Second Herring Brook from Main Street to the North River,
 thence the North River from the Second Herring Brook to the
 Southeast Expressway.

Precinct 3 — Everything east of Precinct 2.

One responsibility of the Selectmen is to summarize for Norwell voters the current standing of all legal cases against or on behalf of the Town which are pending, or were completed in this calendar year. Our Town Counsel reports the following:

At the start of 1972, there were nine (9) cases pending in the Massachusetts Superior Court in which the Town of Norwell had a substantial interest. During the year ten (10) additional cases involving the Town were commenced in the Superior Court. Three Superior Court cases were settled during the year. A listing of the cases is set forth below:

Eminent Domain Cases Pending in the Superior Court

L. Burton Benjamin et al Commenced in 1972	v.	Town of Norwell
Edward T. Dwyer Contracting Corporation	v.	Town of Norwell
Marshall W. Grigsby et als Commenced in 1972	v.	Town of Norwell
William D. Jacobs Commenced in 1972	v.	Town of Norwell
Toiva M. Jarvinen Commenced in 1972	v.	Town of Norwell
Fred A. Nucci Commenced in 1972	v.	Town of Norwell
Petrell Land Development Corporation Commenced in 1972	v.	Town of Norwell

Other Cases Pending in the Superior Court in 1972

George A. Banks	v.	Town of Norwell
Katherine R. Fuller et al Settled in 1972	v.	Mosman et al
John J. Hart Settled in 1972	v.	Charles E. White
William D. Jacobs	v.	Thibodeau et al
Toiva M. Jarvinen Commenced in 1972	v.	Thibodeau et al
Clifford L. McIntyre Commenced in 1972	v.	Frado et als
Norfolk Electric Company, Inc. Settled in 1972	v.	Town of Norwell et als

Town of Norwell	v.	Southeastern Landscape Corp.
Town of Norwell	v.	Thomas P. Healy et al
Town of Norwell	v.	Donald I. Trottier et als
Town of Norwell	v.	William D. Jacobs
Town of Norwell	v.	Toiva M. Jarvinen

At the start of 1972, there was a case pending in the District Court of Brockton, entitled: *Patrick Dumond Land Clearing, Inc. v. Town of Norwell*. The plaintiff has not taken action to have the case against the town brought to trial. During 1972, a case was commenced in the United States District Court against the Board of Selectmen and the Building Inspector. The case, entitled: *John J. Hart v. James P. Hall et ali*, was dismissed during 1972.

At the start of 1973, the following cases were pending:

	<u>1972</u>	<u>1973</u>
Supreme Judicial Court	None	None
The Appeals Court	None	None
The Superior Court	9	16
District Court of Brockton	1	1
Appellate Tax Board	<u>65</u>	<u>23</u>
Total Cases Pending	75	40

The appeals in the Appellate Tax Board are reviewed in detail as follows:

The following appeals were pending in the Appellate Tax Board at the end of 1972:

Frank A. Battaglia et al	v.	Town of Norwell
Case #X 187702 (for the year 1972)		
Arthur H. Cooper et als	v.	Town of Norwell
Case # 51415		(for the year 1968)
# 53800		(for the year 1969)
# 57300		(for the year 1970)
# 61023		(for the year 1971)
Brockton Taunton Gas Co.	v.	Town of Norwell
Case # 47586		(for the year 1966)
# 50046		(for the year 1967)
# 52652		(for the year 1968)
# 54213		(for the year 1969)
# 59190		(for the year 1970)
# 64007		(for the year 1971)
William D. Dickie et al	v.	Town of Norwell
Case # X 187921 (for the year 1971)		
George M. Duarte et al	v.	Town of Norwell
Case # 61847 (for the year 1971)		
John David MacLellen et al	v.	Town of Norwell
Case # X 184358 (for the year 1971)		

Emily M. Merrill v. Town of Norwell
Case # X 180181 (for the year 1970)
X 183885 (for the year 1971)

Gerald N. Milot v. Town of Norwell
Case # X 183456 (for the year 1971)

Donald F. Robbins v. Town of Norwell
Case # X 183467 (for the year 1971)

Daniel J. Sheehan et al v. Town of Norwell
Case # X 183871 (for the year 1971)

Shop-Lease Co., Inc. v. Town of Norwell
Case # 57754 (for the year 1970)
62960 (for the year 1971)

John F. Sullivan v. Town of Norwell
Case # X 173658 (for the year 1968)

Norman W. Vail et al v. Town of Norwell
Case # 54501 (for the year 1969)

During the year, fifty-five (55) cases were settled or withdrawn by the taxpayer.
The cases settled or withdrawn were:

Bjohn H. Anderson v. Town of Norwell
Case # 54469 (for the year 1969)

C. Irene Barteau v. Town of Norwell
Case # 54470 (for the year 1969)

Michael Berestecki et al v. Town of Norwell
Case # 54471 (for the year 1969)

Louis G. A. Blum et al v. Town of Norwell
Case # 50698 (for the year 1967)
54472 (for the year 1969)

Hilding N. & Ethel M. Carlson v. Town of Norwell
Case # 54473 (for the year 1969)

Richard P. Clouter et al v. Town of Norwell
Case # 54474 (for the year 1969)

Nancy S. Cole et al v. Town of Norwell
Case # 50699 (for the year 1967)
54475 (for the year 1969)

Thomas C. Cook et al v. Town of Norwell
Case # 54476 (for the year 1969)

James L. Crispin et al v. Town of Norwell
Case # 50905 (for the year 1967)
54477 (for the year 1969)

William B. Earley et al v. Town of Norwell
Case # 54478 (for the year 1969)

Reginald P. Fitzgerald et al v. Town of Norwell
Case # 54479 (for the year 1969)

Myron D. Fottler et al v. Town of Norwell
Case # 50907 (for the year 1967)
54480 (for the year 1969)

Frank Properties, Inc. v. Town of Norwell
Case # 52500 (for the year 1968)
54575 (for the year 1969)

Carl E. Gantor et al v. Town of Norwell
Case # 50908 (for the year 1967)
54481 (for the year 1969)

Francis L. Horgen et al v. Town of Norwell
Case # 50910 (for the year 1967)

Perley W. Harriman et al v. Town of Norwell
Case # 54482 (for the year 1969)

Ruth A. Horgan v. Town of Norwell
Case # 54483 (for the year 1969)

Donald S. Hodson et al v. Town of Norwell
Case # 50911 (for the year 1967)
54484 (for the year 1969)

William R. Jones et al v. Town of Norwell
Case # 50912 (for the year 1967)
54485 (for the year 1969)

William C. Kieffer et al v. Town of Norwell
Case # 50913 (for the year 1967)
54486 (for the year 1969)

Matthew J. Lavin et al v. Town of Norwell
Case # 54487 (for the year 1969)

Clarence E. Ludlow et al v. Town of Norwell
Case # 50914 (for the year 1967)
54488 (for the year 1969)

George J. Mackertich et al v. Town of Norwell
Case # 54489 (for the year 1969)

Barbara L. Palli v. Town of Norwell
Case # 54490 (for the year 1969)

Leon E. Raiche, Jr., et al v. Town of Norwell
Case # 50915 (for the year 1967)
54491 (for the year 1969)

Arthur A. Raymond et al v. Town of Norwell
Case # 50916 (for the year 1967)
54492 (for the year 1969)

Paul Savery et al v. Town of Norwell
Case # 50304 (for the year 1967)
54493 (for the year 1969)

Thomas A. Sheehan, Jr., et al v. Town of Norwell
Case # 50917 (for the year 1967)
54494 (for the year 1969)

Eugene A. Spangenberg et al v. Town of Norwell
Case # 50919 (for the year 1967)
54495 (for the year 1969)

Dudley J. Stickels et al v. Town of Norwell
Case # 50918 (for the year 1967)
54496 (for the year 1969)

Edward J. Stoner et al v. Town of Norwell
Case # X 171160 (for the year 1967)
54497 (for the year 1969)

Harrison W. Thalin et al v. Town of Norwell
Case # 50700 (for the year 1967)
54498 (for the year 1969)

Harland S. Thompson, Jr., et al v. Town of Norwell
Case # 54499 (for the year 1969)

John J. Tumulty et al v. Town of Norwell
Case # X 171161 (for the year 1967)
54500 (for the year 1969)

Frederick C. Walsh et al v. Town of Norwell
Case # 54501 (for the year 1969)

James J. Wohlrob et al v. Town of Norwell
Case # 54502 (for the year 1969)

In closing, we want to thank the many willing and dedicated citizens who have given so freely of their time and abilities to our various appointed committees. We ask every voter who is interested in serving on any Town committee to please complete and return to the Town Office the questionnaire which the Selectmen mailed to every Norwell voter this past December.

Respectfully submitted,
NORWELL BOARD OF SELECTMEN
James P. Hall, *Chairman*
John Petze

ANNUAL REPORT — 1972
BOARD OF ASSESSORS

To the Board of Selectmen
Town of Norwell

Gentlemen:

The Board of Assessors herewith submits its Annual Report for the year, 1972. Our chief area of interest is the revaluation of the Town by the firm, Whipple, Magane & Darcy, Inc.

At this writing, the revaluation process is 96% complete. The remaining 4% consists mainly of (1) change in ownership of those properties transferred during the last two months of 1972, (2) the notification to property owners of their new valuation, (3) hearings by Whipple, Magane & Darcy, Inc., to be held by owners' request and (4) the computerized runoff of final valuations.

The Assessors have adopted a "hands off" policy regarding the dollar amounts of individual valuations. It has confined its supervision to the area of progress of the project and is happy to report that all categories of the contractual work have been filled in a more than satisfactory manner. The Board, at this time, has not seen the individual proposed valuations, and will not see them until all hearings have been completed and final adjustments have been made.

The foremost question in the minds of taxpayers is, "How much will it cost me for real estate taxes?". The answer is based upon several factors; the most important being the amount of money voted to spend at Town Meeting. This, of course, is greatly controlled by the taxpayer, himself, when he casts his vote at Town Meeting. These voted amounts, in turn, determine the tax rate to be arrived at. In other words, what is spent at Town Meeting must be paid for with real estate taxes.

From the gross amount to be raised is deducted the anticipated income from all sources, leaving the net amount to be raised by taxation. The total valuation of the Town is then divided into this net amount, the result being the tax rate.

Therefore, the three major factors determining what is paid in taxes are: (1) amount spent, (2) valuation and (3) tax rate. *What is spent* is the controlling factor. If the valuation goes up, the tax rate goes down, because these two items are a means of satisfying the demands of spending. Please exercise your major element of control — *Spend wisely*.

Respectfully submitted,

Board of Assessors

Richard E. Splaine, *Chairman*

Jean R. Lloyd, *Clerk*

James F. Staples

REPORT OF THE EMERGENCY COMMUNICATIONS CENTER

The Emergency Communications Center continues to operate in the Town Hall and will shortly begin its fourteenth year of around the clock coverage.

During the past year, January 1, 1972 through December 31, 1972, the following calls were processed:

Police	15,800
Fire	7,401
Town	8,149
Miscellaneous	9,925
Total	41,275

Ambulance runs are arranged through the Center and this year there were 105 such runs.

The three permanent firefighters have been trained as operators and are available for duty in the Center when it does not interfere with their Fire Department work.

The Communications Center is also responsible for radio messages for the Highway, Tree and Water Departments and is a general information source for the citizens of the Town, passing motorists and delivery men.

The operators of the Communications Center will continue to be of service to anyone who calls, whether it be an emergency or not.

EMERGENCY COMMUNICATIONS BOARD

W. Clarke Atwater

Kenneth J. Bradeen

Warren P. Merritt

CAPITAL BUDGET COMMITTEE REPORT

One of the basic objectives of the Capital Budget Committee is to analyze the impact of capital expenditure requests on the current and future financial standing of the town and its effect on the taxpayers. In order to do this we have continued to interview the various boards and committees in town who are responsible for initiating these expenditure requests to determine their financial need and priorities for the future. While we are quite pleased with the increasing success of having these departments think and plan now for their future capital expenditures, our interviews also have shown that there is still a need for more orderly and definitive financial planning. In our report which will be published prior to the annual town meeting, we will go into detail concerning current and future capital appropriation requests and their subsequent impact on the tax rate. However, we believe a better understanding of the future financial status of the town can be gained by a close look at the past and a full realization of the current situation. We take this opportunity to expand on a few key indicators of Norwell's present financial status.

Chart 2

Town of Norwell

Bonded Debt

January 1

Chart I depicts the rapid increase in total budget appropriations and the consequent increase in the property tax levy. It is important to note that the appropriations shown reflect, along with the general operating expenses, only the *principal* and *interest* payments made that year on bonds outstanding. As shown in the chart, appropriations in 1972 increased significantly. However, the major impact of the principal and interest payments on the bonds for the new high school does not appear in 1972, but will occur in 1973, as shown in Chart 2.

Total bonded debt outstanding on January 1, 1973 was more than *four times* the amount outstanding in the town's recent history. (This amount does not reflect the bonding of the new library voted at the special town meeting.

Where does the money come from to pay for these expenditures? Primarily from money raised by the property tax levy, which has been increasing much more rapidly than has the total assessed valuation, with an obvious result: An increasing tax rate!

It is clear that we must control our expenditures by exercising our best judgment in considering requests for new or increased appropriations, if we are to prevent an intolerable increase in our tax rate.

During 1972 the Capital Budget Committee also developed a format for presenting in one article those recurring capital expenditures (such as town vehicles, highway resurfacing, etc.) that are non-critical (in terms of their financial impact). This capital expense article will appear in the 1973 Town Meeting Warrant as Article 3.

Respectfully submitted,
Capital Budget Committee

REPORT OF THE LEONARD MEMORIAL LIBRARY

The Leonard Memorial Library has introduced several new services to aid our readers in gaining more enjoyment than ever from their public library. In addition to the pre-school story hours, nursing home deliveries, Eastern Mass. Regional bookmobile selections, interlibrary loans and no fines, we have added two special Boston Public Library services of xerox copies of magazine articles and aid in reference research. It has been most gratifying to see the large numbers of people taking advantage of these innovations.

We are eagerly looking forward to the long awaited opening of the new Norwell Public Library.

The Trustees wish to thank most sincerely Chief Merritt and the men of Combination #2 of the Fire Department for their kind consideration during the year.

Our report would not be complete without expressing our profound appreciation to the staff, Mrs. Frances Wilkie, Mrs. Ellen Wilder, Mrs. Ruth Rowan and Miss Chris Rowan. It was with deep regret that we accepted the resignation of Mrs. Patty Merritt who served faithfully for many years.

Respectfully submitted,
Claire E. Foulsham
Betty S. Reardon
Phyllis Haskell

1972 REPORT OF THE NORWELL HOUSING AUTHORITY

Board of Selectmen:

The Norwell Housing Authority was elected for the first time in March 1972. It had been incorporated, under a state charter, in 1971.

The Authority sought out sites for the much needed construction of housing for the elderly. Six sites were submitted to the state for their review. At present, two sites are receiving serious consideration by the Commonwealth, Department of Community Affairs.

It is anticipated that site approval by the state will come about in early 1973. State representatives have been to Norwell on three occasions to meet with us and view the proposed sites.

Respectfully submitted,
Mary Jane Petze, *Chairman*
Loring L. Jacobs
Dorothy M. Dickson
Charles Morgan
Richard Mills

REPORT OF THE BOARD OF APPEALS

The Board of Appeals reports the handling and disposition of eighteen cases in the year 1972. Of this number, 7 were requests for variances and 11 were requests for special permits. The above figures do not represent the number of informal actions and inquiries answered relative to various aspects of the zoning by-laws.

Due to new strictures placed by the Legislature regarding notices, the costs of notices rose sharply in the year 1972.

To accommodate those parties seeking advice of the Board of Appeals, the Board has instituted a monthly meeting open to the public, at which all inquiries made will be taken up.

Respectfully submitted,
Robert M. Broderick, Esq., *Chairman*
Sanborn Vincent
Robert Maglathlin

ANNUAL REPORT OF THE PLANNING BOARD

To the Citizens of Norwell:

As the Town grows each year is busier than the last for the Planning Board. In 1972 five new subdivisions were submitted, one consisting of only two lots, and four consisting of over twenty lots. The Board was also supervising thirty-seven active subdivisions begun in previous years. The new ones were as follows:

DeLuze	2 lots	Stoney Brook Cove	23 lots
Mt. Blue	33 lots	Cuffy Hill	
	Wildcat Section I	21 lots	

The Planning Board, with the assistance of E. Arnold Joseph, Work Supervisor, is in charge of insuring that all subdivisions are planned and constructed in accordance with the Rules and Regulations of the Town of Norwell, adopted under the Subdivision Control Law, General Laws, Chapter 41, Sections 81K through 81GG. New Rules and Regulations under the Subdivision Control Law were adopted by the Board and became effective on January 1, 1972.

The Saturday morning inspection tours, instituted last year, were continued this year, being held on the first Saturday after the first meeting of each month. The Board walks those active subdivisions or other lands the Board deems necessary and all other Town Officials and interested parties are invited to attend.

The Board has done extensive work on Flood Plain and Wetland Zoning, and is in the process of investigating the cost and efficacy of an aerial survey and mapping of the Town for determining the Flood Plain and Wetland areas. Until these Flood Plains and Wetlands are clearly delineated, it is extremely difficult to regulate development in areas in which such development poses a threat to the health and safety of persons and property, and to the water supply and watershed areas of the Town.

Zoning By-Law amendments have been drafted for consideration of the Town Meeting. These were submitted at the last Special Town Meeting and postponed because further discussion was deemed valuable. A public hearing and meetings with the Chamber of Commerce and the Board of Selectmen will be held before resubmittal of these articles at the next Annual Town Meeting.

The Official Town Map was accepted at the last Annual Town Meeting, and has proven an invaluable aid in determining the status of roads and ways within the Town.

A new filing system was set up for greater efficiency of the Board.

In March the Board reorganized as follows:

Roy R. Richardson, Chairman	William Bernardi, Vice-Chairman
Robert R. Reed, Clerk	Wilbur L. Garside, Jr.
	William F. Frado, Jr.

The Planning Board meets in the Town Hall Lobby every Monday night. Appointments are taken for the first, third, and fifth Monday nights, and meetings with other boards, committees, and commissions as well as special consultants are held the second and fourth Monday nights. The second and fourth Monday nights the Board also works on Zoning By-Law changes, Flood Plain and Wetland Zoning, long range planning, and other special projects.

The Planning Board also reviews plans for house lots on established ways which do not come under the rules and regulations of the Subdivision Control Law, but which must be endorsed by the Planning Board if they meet zoning requirements. During 1972, thirty-four of these plans were endorsed.

The Planning Board intends to work next year on:

1. Flood Plain and Wetland Zoning.
2. Further updating of the Zoning By-Law.
3. Study of the feasibility of cluster zoning and planned unit development.

Respectfully submitted:
The Norwell Planning Board.

REPORT OF THE GOLF COURSE COMMITTEE

The golf course committee met regularly during the year and also held several joint meetings with the recreation commission. At one of the joint meetings, Charles T. Main Inc. was selected as architect to develop a scope plan to provide room for other recreational facilities at the Stetson Meadows site.

The recreation director and golf committee met with a Dept. of Natural Resources agent at the state office building to explore the possibility of state or federal aid for this project.

It is the hope of this committee that the citizens of Norwell will utilize the Stetson Meadows Golf Course as the cornerstone of a recreational program for the town.

Respectfully submitted,

Leo Foley

James W. Agneta

Richard Gaudette

James T. King

W. H. Osborne

REPORT OF THE VETERANS' AGENT AND SERVICE OFFICER

To be eligible for Veterans' Benefits, a veteran must have military service credited to Massachusetts, or resided, at the time of entry into the service, in Massachusetts, or meet subsequent residence requirements. If the veteran did not reside in Massachusetts at the time of entry into service, then he or she must have resided continuously in Massachusetts for three consecutive years next preceeding the date of application. During certain periods of "wartime service" a length of time in service is required, except for those who served for any time and were awarded a service-connected disability or Purple Heart, or dependents of those who died in service of conditions other than dishonorable. The above "wartime service" goes back on the General Laws of Massachusetts to Civil War Days and continues through to our Vietnam Veterans. It includes also different insurrections, expeditions, and campaigns, besides the wars. If any veteran feels that they are eligible for benefits, they should get in touch with this deparatment. A definite need must be present and all other means must be exhausted before aid can be given.

This year, although unemployment has risen, we have been able to stay within the budget. Many have been helped with various forms for eligibility for home loans or educational purposes. Widows and children have received pensions and those in the hospital have been given non-service connected pensions. All these and more, are helped through this department. Please get in touch with this department if you have any questions.

Respectfully submitted,

Dorothy M. Dickson

Veterans' Agent & Service Officer

REPORT OF THE HIGHWAY SURVEYOR

To the Citizens of Norwell:

I hereby submit my annual report for the Highway Department for the year, 1972.

The Highway Department had a very busy Spring, mostly because of the heavy rains. We had occasional flooding of roadways, but eventually the master drainage study will eliminate some of these problems. We have had a great many complaints from homeowners whose homes are in low lying land. The rains raised the water level and those houses built in lowland have had considerable trouble and this will continue whenever the water table is high. I do not believe the water table is back to the maximum height. This points up the need for stricter control on individual lots that are being constructed in lowlands that are seasonably swampy. Unfortunately, new home owners are unaware of this situation.

We have kept all existing street drains open during the year. It was necessary to pick up a great amount of leaves from the trenches. In the past we were able to burn them in the open trenches. We have had to treat the ice covered trenches and driveway culverts with salt to keep them open. I would like to point out that this salt is the only chemical available for treating the trenches and culverts. We also hired a large Vac-All to clean catch basins this year. This machine vacuums out and flushed the catch basins, which have been filled by sand and debris from the roadways.

The street sweeper has proved to do an excellent job in keeping the roadways clean of excess sand. Every street in Norwell was done twice, and those that were surfaced or re-surfaced were done three or four times. Most of the street sweepings were hauled to the sanitary landfill site.

During the early part of the summer the Highway Department installed a drainage system up Wildcat Lane to the intersection of Green and Pine Streets, and up Pine Street as far as Tara Drive. This work was done in conjunction with the Drainage Committee. This work was long overdue because of dangerous flooding conditions there, which froze during the winter months.

Unfortunately, during the year 1972, the Town of Norwell lost its Chapter 90 money because we had no accepted layouts. We are hopeful that in 1973 we will have Chapter 90 money available for partial reconstruction of Pond Street (Route 228) and Main Street (Route 123). We are also anticipating a layout of the intersection at South and Mill Streets, which will possibly include a bridge culvert. We expect to receive money from Chapter 765 too.

In 1972 we had Chapter 497 funds which were used in conjunction with Town funds for resurfacing. Portions of River Street, High Street, West Street, South Street, Winter Street, and Pine Street were surfaced with Type I. Due to an exceptionally wet summer we did not do any mix in place work. We ask your continued support to carry out our resurfacing program. This year we are requesting \$50,000.00 for this work.

We went over the Chapter 81 roads with the Selectmen and the Department of Public Works, and the roads that needed it the most were oiled. This is part of our annual preventative maintenance program. The Commonwealth of Massachusetts, Department of Public Works contributes approximately \$15,000.00 out of the \$20,000.00 spent on this work.

As in the past all materials and equipment were put out to bid, and the bids are on file at the Town Accountant's office.

The following is a partial list of materials used by the Highway Department during 1972: salt — 3026 tons, sand — 4700 yards, gravel — 100 yards, Type I Hot Top — 3161 tons, roadway oil surface sealer — 52,000 gallons, paint — 459 gallons, reflector glass beads — 1655 pounds, concrete pipe — 1660 feet, all weather patch — 615 tons, guard rail posts — 55, metal street signs — approximately 220, and so on and on. The Highway Department also picked approximately 250 yards of roadside litter this year.

All during the year we are doing maintenance work, street patching, replacing guard rail posts that have been knocked down, installing and maintaining approved speed zone signs, along with a monthly food run and helping other departments as much as possible, etc.

We are all trying to adjust to the new eighteen month budget, which covers from January 1, 1973 through June 30, 1974. This is going to be a trying period for all departments. We are only requesting \$5000.00 under the Capital Expenditures under the new Article 3, and this is for a new pick-up truck. We also have some new approved speed zone regulations which we hope to implement when the funds are available. Our budget is cut to the bone and I ask your support of my budget as requested.

1973 is going to see increased highway utility work. We are expecting the New England Telephone Co. to run underground conduits the entire length of River and Main Streets. The Water Board will be tying in new water mains and services. The Gas Co. will be renewing some lines and installing new lines and services.

I wish to express my sincere thanks for the cooperation of all town officers, the various committees, the town departments, and the citizens of Norwell with whom I have had the pleasure of working with this past year.

I would also like to say that we are most grateful for the assistance of the Department of Public Works at the Middleboro District 7 office. Without their help and cooperation, our Chapter 81 maintenance work, on all Norwell roads and street painting of Routes 123 and 228 would not have been possible. They also do all the engineering work for the plans if a layout is accepted.

I must also thank the County Commissioners for all the work they did preparing street layouts for Chapter 90 work, even though none were accepted.

Sincerely,
E. Arnold Joseph
Highway Surveyor

ANNUAL REPORT — 1972 CONSERVATION COMMISSION

For a number of years, the Conservation Commission has been working principally to acquire land and to protect the natural resources and the watershed areas of the Town. It looks now as though our big acquisition of Valley Swamp would be completed during this year, thus ending that which has been a time-consuming and complicated action.

In accordance with the State Law, the Conservation Commission has held two public hearings under the Hatch Act in an effort to clear up certain questions as to building and/or filling on questionable land. It is of interest to note that, as of October 16, 1972, the Jones Act, dealing with tidal land and water, was combined with the Hatch Act.

The Commission finds that it must remain constantly alert to the danger of surreptitious filling and destruction of the wetlands and brooks which are such a vital part of our natural resources.

Boulders with markers have been placed at the Main Street and Central Street entrances to the land presented to the Town by Mrs. Isabella Fogg and Miss Helen Fogg. Certainly, we are very grateful to the Fogs for such a generous gift to the Town. It is hoped that as many as can will take the opportunity to walk through the area and see how very lovely it is, especially in the springtime.

The Commission has been advised of and is closely following certain proposed developments in several areas of the Town. In some cases, we can only regret that more land and trees are to be lost to building and "hardtop". In other cases, we have indicated our fears of the danger that would seem to be forthcoming to certain wetlands and inland waters, and have taken those steps which we considered necessary.

During this year, too, the Town has been fortunate in that we have been able to purchase a piece of land of about 33 acres which will help to preserve some green belt along a portion of the First Herring Brook.

Since February, 1972, the Conservation Commission has been holding their regular first-Thursday-of-the-month meetings at the Town Hall and we have been fortunate in that we have been able to hold those meetings in the Selectmen's office. These are expected to continue in the same schedule.

Respectfully submitted,
Joseph P. Parades
Norwell Conservation Commission

REPORT OF THE INSPECTOR OF ANIMALS

To the Board of Selectmen:

As the Inspector of Animals for the Town of Norwell, I have completed my duties for 1972 and report as follows:

Inspected barns and reported same to the State.

Reported to the Division of Livestock Disease Control the census of animals in the Town of Norwell.

Quarantined and released approximately thirty-two dogs.

Respectfully submitted,
Richard E. Cugnasca, D.V.M.
Inspector of Animals

REPORT OF THE BUILDING INSPECTOR

Board of Selectmen
Norwell, Massachusetts

Gentlemen:

Building permits issued in 1972 decreased slightly, mainly in the number of new dwellings: 47 less than last year. The total number of permits issued showed a drop of 36. However, the number of additions and swimming pools increased, keeping the overall total to over 200 inspections for the year.

The new high school is over 50% completed and beginning to take shape, promising to be a beautiful building.

Building permits issued and inspections made in 1972 are summarized as follows:

RESIDENTIAL

New Dwellings	102
Additions — Alterations	43
Garages	6
Swimmings Pools	16

COMMERCIAL

Industrial Buildings	3
Stores	2
Additions — Alterations	
Non-Residential	9
Service Station	1
Greenhouse	1
Motels	2

OTHER

High School	1
Storage Building — Town	1
Buildings Demolished	4
Construction Trailers	8
Signs	1
Permits Voided	<u>2</u>

202

I would like to thank the members of Town Boards and Committees for their cooperation and extend special appreciation to Mrs. Mildred Sundwall and Mr. Ronald Lord for their assistance.

Respectfully submitted,

Charles E. White
Inspector of Buildings

Richard C. Wiley
Alternate Inspector of Buildings

POLICE DEPARTMENT

Board of Selectmen
Town Hall
Norwell, Mass.

Gentlemen:

We are again indebted to you and to the Citizens of Norwell for your continued support and cooperation. Our 1972 statistics generally are consistent with national trends. Arrest figures are somewhat lower, but social-economic related problems show a marked increase. It is encouraging to note that narcotic cases have decreased 20% below 1971.

Experience has pointed out the need to put our Safety-Juvenile Officer on a full-time basis instead of an extra-curricular activity. Our budget reflects the addition of a full-time officer to give us this latitude. Considerable savings in overtime will be realized. We wish to publicly thank Wolfe-Sullivan, Hingham Plymouth dealer for supplying a Safety-Car at no cost to the town.

Again may we urge any citizen with a police problem to contact us. We will be happy to discuss it with you.

The following is a partial list of our activities for 1972:

	1971	1972		1971	1972
Arrests	750	657	M. V. Violations	901	904
Narcotic cases	68	55	Vandalism	137	157
Court Complaints	1147	1007	Ambulance Runs	198	201
Drunkeness	52	68	Auto Accidents	248	252
Forgery	22	24	Missing Persons	28	19
Family Trouble	65	180	Prowlers	34	38
Warrants	108	124	Emergency Messages	137	37

Sincerely,
Kenneth J. Bradeen
Chief of Police

REPORT OF THE BOARD OF HEALTH

Again this year, this will be a short report because the Board has been so busy.

Forty-eight percent of our TIME has been devoted to sewage applications, obviously a necessity in a year of record rainfall.

Another forty-eight percent has been used in TRYING TO conform reasonably well with the State Law pertaining to Sanitary Landfill operation.

The other four percent is spread out supervising the School and other Public Health programs, "consulting" with other Boards of the Town, handling complaints of various sorts and planning for the "Miss Dump" contest. We regret to report that the 1972 contest had to be cancelled when our candidate was kidnapped from her hillside perch at the Dump.

Respectfully submitted,
Katherine R. Fuller, *Chairman*

Arthur J. Garceau, M. D.
Chester G. Horte, *Secretary*

REPORT OF THE FIRE DEPARTMENT

The following calls were processed during the period from January 1, 1972 through December 31, 1972.

Buildings	43	Downed Wires	23
Grass and Woods	15	Cellars pumped	11
Dump	2	Power failure stand-by	2
Motor vehicle fires	27	Bomb scares	2
Resuscitator calls	24	Lock-outs	2
Investigations	152	Fallen trees	17
Accidents	22	Inspections	32
Lost persons	2	Dog rescued from water	1
Mutual Aid provided	10	Gas leak	1
Mutual Aid received	8	Ambulance runs	105
Fire Permits (cook-outs)	187	Miscellaneous calls	6704

Since July 1, 1972, when they began their duties, the permanent fire-fighters have handled 123 calls during the daytime hours. They have tested and recorded all hydrants in the Town and have set up and maintained a service schedule on all Fire Department equipment, apparatus and buildings.

At this writing a Red Cross First Aid Course, conducted by Firefighter Gerald Flemming, is being completed.

Several more firemen have attended the Cardiac Resuscitation Course at the South Shore Hospital.

Land for a future fire station in the Church Hill area has been acquired by the Town.

The Board of Fire Engineers is requesting in the Warrant for the Annual Town Meeting, another permanent fire-fighter. At present we have one man on duty Saturdays and Sundays and an additional man will give coverage for vacations and better coverage for fire duties and ambulance runs.

May we again commend the citizens of Norwell for their continuing cooperation and efforts in fire prevention.

BOARD OF FIRE ENGINEERS

Warren P. Merritt, *Chief*
Loring L. Wadsworth, *Deputy*
James T. King, *Clerk*
Orville E. Devine
Lloyd R. Farrar
T. Curtis Power
John J. Winske

REPORT OF THE JACOBS POND COMMISSION

Since last March the Jacobs Pond Commission has investigated some dozen possible methods of reclaiming the pond. To our view, any successful project must be based on three factors. First, it must be economically feasible, second, it must be accomplished within a reasonable amount of time, and lastly, the reclamation must be of a long lasting nature. Some of the methods we investigated, like lake-bottom

sealing, aeration and biological control, clearly did not apply to Jacobs Pond. The shallowness of the pond precluded using the drawdown method of weed control. Some success has been had with draining a pond and allowing it to dry out. However, since the draining is done in the fall on a yearly basis, the Commission felt that the resultant loss of a skating facility, plus the loss of the capability to provide fishing negated this method. Chemical treatment seemed appealing on the basis of cost. On closer analysis, however, we found that there was no guarantee that it would not have to be done every year, which would make the overall costs higher. There was the possibility of contamination of the watershed area, and there is a residue of metals left in the sediment. Finally, we became aware that in many cases chemical treatment did not improve the water quality, nor in all cases did it clean the pond of weeds. Deepening the pond, either by dredging or by removing the sediment after draining, seems to us to be the most ideal to reclaim the pond. However, at this time the costs seem far too high. We are investigating methods of making this method economically feasible. Harvesting the pond by mechanical means is the latest method that the Commission has investigated. At this time the final results are not available to the Commission but we hope to be able to present you with more facts at Town meeting.

We are pleased to report, on a more concrete level, that the pond is not at this time grossly polluted by sewage. We, along with various agencies of the Commonwealth have taken many water samples over the summer. Water samples taken by the Commission and analyzed at Lakeville Hospital by the Department of Public Health and samples taken and analyzed by the Division of Water Pollution Control show total coliform counts to not exceed 2400, with the fecal coliforms generally showing as 36 or less. Also shown in the chemical analysis are nutrient counts far below what we had expected, in fact, there was no nitrogen or ammonia count, and the phosphate count was comparable to the Swift River below the Quabbin Reservoir. In conclusion, it seems to the Commission that while the water in Jacobs Pond is not usable as a source of drinking water, it certainly fits the description of a Class B waterway and as such, can be used for recreational purposes, if it is reclaimed from the weeds.

REPORT OF THE REPRESENTATIVE OF THE METROPOLITAN AREA PLANNING COUNCIL (MAPC)

The Metropolitan Area Planning Council is The Greater Boston Regional Planning Agency in which Norwell is one of the 101 communities in the district. The Area served is comprised of Cities and Towns within a 25 mile radius of Downtown Boston and encompasses over half the population of Massachusetts. The MAPC through involvements of citizens and public officials in the Planning process seeks the implementation of regional solutions to present and emerging problems which threatens the quality of the Human Environment.

Some of the accomplishments to these ends during the past year are the completion and presentation at the Governor's Conference on Natural Resources of the "Boston Harbor Islands Comprehensive Plan"; The "Metropolitan Forum" to discuss the mechanisms for the implementation of Regional Plans and Programs and the establishment of the Joint Regional Transportation Committee which will coordinate and review all Transportation Planning of various State Agencies.

The MAPC is continuing its efforts to assist in developing Sub-Regional Planning Districts for Water, Sewer and Solid Waste Disposal. This year has seen the Publication of its report on "Capital Improvement Alternatives for Water Supply and Water Pollution Control in the Boston Metropolitan Area" which describes three alternative approaches to a Sewer System in the West End of Norwell and discusses the need for the same by 1975. Members of the Staff of MAPC will be participating in the Quarterly Meeting in January to discuss solid waste disposal and the alternatives that Norwell faces in meeting its future needs.

All of the Reports and Documents of The MAPC are available for loan through your Representative to any Town Official or interested citizen. Any planning problems or concerns of Town Committees or Boards are most welcome to be discussed by your Representative as it is only through maintaining close liaison that Norwell can most benefit and keep abreast of new developments and planning by the MAPC and other State and Federal Agencies. As an elected Member of the Council's Executive Committee; and as an appointed member of the Council's Budget, Program, Transportation and Open Space and Recreation Committee's; and as a member of the Joint Regional Transportation Committee your Representative is in close contact with the operations of the MAPC and is in a position to and willing to assist any planning effort in the Town.

Respectfully submitted,
Richard K. McMullan, *Representative*
To The Metropolitan Area Planning
Council.

REPORT OF THE INSPECTOR OF WIRES

During the calendar year of 1972, two hundred fifty-eight applications were received for electrical installations. Permits were issued and inspections made of these installations by either the Inspector of Wires or Alternate Inspector of Wires.

Respectfully submitted,
Raymond A. Hansen
Inspector of Wires

REPORT OF THE GAS INSPECTOR

During the calendar year of 1972, seventy-six applications were received for gas installations. Inspections of these installations were made by either the Gas Inspector or Alternate Gas Inspector.

Respectfully submitted,
George A. Beach
Inspector of Gas Piping & Gas Appliances

PERMANENT BUILDING AND MAINTENANCE COMMITTEE REPORT — 1972

1972 has proven to be the most active year in the history of the Town of Norwell from the point of view of municipal construction. Consequently, the Permanent Building and Maintenance Committee (PBMC) has had by far its most active year since its birth some years ago.

The most significant project, of course, is the construction of the new Norwell Senior High School. As of December 31, 1972, the School was about 57% completed. It is hoped that the School will be ready for occupancy by September, 1973, but, at this point, it is very difficult to estimate whether this is possible. We hoped to be closer to 70% completed by year-end 1972 but some bad weather plus other factors beyond our control have forced us to be behind schedule. A good Spring could very well allow us to overcome the lag.

As an important adjunct to the High School Project, the PBMC voted to retain the architectural firm of Rich, Lang and Cote as the Furnishings Consultant. The consultant, working closely with the PBMC, the School Administration and the Superintendent of Public Grounds has recommended a furnishings and equipment list which we feel is consistent with both the program requirements and the total project budget. The cost of furnishing the School will be in the vicinity of \$450,000. While this is a large sum of money, it is less than "average" for a building project of this magnitude. Incidentally, our prior statement that the "turn-key", or total, price of the High School would be between \$7.8 million and \$8.0 million appears to be fairly accurate.

Another major school project has begun. At the October, 1972, Special Town Meeting, the Town voted to authorize the PBMC to investigate the cost of renovating and converting the Sparrell Junior High School to an Elementary School. The PBMC interviewed several architects and voted to retain the firm of Drummey, Rosane and Anderson for just that purpose. We will be presenting some specific cost data at the Annual March Meeting so the townspeople can determine the feasibility of the renovation and conversion. Such action, at this point, appears to be the wisest alternative in light of the pressing need for additional classroom space.

The Town voted at our Annual Town Meeting in March to secure a six-acre site off of the South Drive of the new High School for construction of a new library. At this same meeting, the funding for preliminary plans was provided with an instruction that the PBMC make an early completion of this phase. Accordingly, the PBMC called a Special Town Meeting for October 25 where preliminary plans and specifications were approved and the project was funded at \$370,000. The current schedule calls for construction to begin in the Spring of 1973 with completion anticipated in the winter of 1974.

We are also working on, or have completed, four other projects. The Town voted monies to erect a small shed at the Town Dump to house the Board of Health's bulldozer. This project has been completed to the satisfaction of both the PBMC and the Board of Health. We are presently putting together plans for a building to house the equipment needed to tend the grounds at the new High School. This building is to be located on a plot of land adjacent to the High School and will be under the jurisdiction of the Superintendent of Public Grounds.

We put the final touches on the Police Station project and are happy to report that between \$20,000 and \$25,000 of the funds appropriated for this project were

not expended. Finally, we took another look at the possibility of adding an addition to the existing Town Hall. This is a very complicated project and one on which the PBMC feels no action can or should be taken without additional monies and direction. We will discuss this problem more prior to and at the 1973 Annual Town Meeting.

In summary, 1972 has been rather hectic. Without the extraordinary dedication of the PBMC members and the Clerk of the Works at the new High School construction site, Mr. W. Howard Pease, the PBMC simply could not have carried out its obligations to the Town properly. I would, at this time, like to express my sincere thanks to the Committee Members and many Town Officials who have done more than their fair share to help the PBMC with its many projects. 1973 will prove to be as busy but will very likely see the completion of the new High School, the renovation of the Sparrell School, the completion of the building on South Street, and a good start on the Library project.

The PBMC extends an invitation to all townspeople to attend its regular meetings. Your advice and comments would be most appreciated.

E. S. Amazeen, Jr., *Chairman*
R. J. Stewart, *Vice-Chairman*
J. D. MacLellan, *Secretary*
J. L. Mikelonis
H. V. Spurway
W. L. Weaver
C. E. White

REPORT OF THE PERMANENT DRAINAGE COMMITTEE

During 1972 the Master Drainage Study was completed and a report was written by our consultants Camp, Dresser & McKee. A number of copies of this report have been given to various committees, boards, and other governmental agencies. Many meetings were held with the consultant and all known drainage problems were discussed and the committee is most appreciative of the time and efforts of Mr. E. Arnold Joseph whose intimate knowledge of these problems was invaluable. Existing drainage plans were reviewed and field surveys were made by Loring H. Jacobs & Associates, Inc. The report defines the three major watersheds of the town as well as all of the streams and brooks. It will serve as an accurate guide in the study of the effects of all proposed subdivision drainage plans. Recommendations are made in the report for repair and improvements which must be made to our existing drainage system. Some of this work should be done as soon as possible, while it will be possible to delay some of it until the future development of the town takes place. The total work is estimated to cost over two million dollars at present day prices and of course could cost several times that amount as the price of construction is rising steadily. The Permanent Drainage Committee plans to work closely with the Capital Budget Committee and the Advisory Board in just how the money for this work will be raised and expended.

1972 was also one of the most ambitious construction years for the committee and a great deal of work was done in conjunction with the Highway Department.

Catch basins, manholes and drain pipes were installed in Pine Street, Wildcat Lane and Leigh Road, two culverts were installed in Mt. Blue Street, three culverts were installed in Pleasant Street and larger single culverts were built at both Tiffany Road and Parker Street while other drainage work was done on River Street.

As usual, a number of plans for proposed subdivisions were reviewed and recommendations were made to the Planning Board regarding them, and of course numerous complaints and problems were investigated.

Respectfully submitted,
Permanent Drainage Committee
Robert E. Esterberg, *Chairman*
Chester G. Horte, *Vice-Chairman*
William C. Bennett, *Clerk*
Charles Morgan, *Treasurer*
Richard K. McMullan
E. Arnold Joseph, *Ex-Officio*

BOARD OF WATER COMMISSIONERS

To the Board of Selectmen:

We are pleased to submit the following for the 1972 Annual Town Report: —
Weekly meetings were held on Thursday evenings at our South Street office.

1972 Major Projects:

- a. Water main extensions were installed in Green Street, First Parish Road and Stetson Shrine Lane.
- b. Construction was complete, including the installation of the necessary pumping equipment and controls, at the new South Street Pumping Station. This facility is now connected to the system to increase the Town's pumping capacity.
- c. Approximately 1200 feet of water mains were installed on Parker, Prospect and Circuit Streets, making a total of about 3600 feet of mains that were installed by Developers without cost to the Town.

The Board wishes to thank other Town Boards and Personnel for their cooperation during the year.

Any interested citizens are invited to attend Board meetings which are scheduled for eight o'clock on Thursday evenings.

Respectfully submitted,
Board of Water Commissioners
A. Thibodeau, *Chairman*
Jacob Lee Turner
Edward F. Walsh, Sr.

1972 ANNUAL REPORT OF THE NORWELL RECREATION COMMISSION

To the people of Norwell:

1972 has been a year of growing and adjusting for our Commission. Much of this has to do with our hiring of the first full-time Superintendent of Recreation, Judson O. Thomas, and establishing an office with our own telephone number (659-7227). All this and more has contributed to additional activities and projects for the Commission to deal with.

Shortly after school was out in June, the summer playground program started. It ran for six weeks, attracted over 400 youngsters, and featured swimming trips to Fearing and College Ponds, weekly performances at the South Shore Music Circus, special events, such as a field day, All-American Week, numerous athletic contests, watermelon events and very creative arts and crafts projects, which were displayed in Norwell Center. The playgrounds were staffed with able high school and college aged young adults, who were all from Norwell.

When the leaves started to fall, the recreation program for adults started to blossom. Basketball for two groups of high school boys and for adults twice a week, ran concurrently with volleyball and gym hockey programs. Attendance seemed to soar, each time the activities were held.

At the sign of the first snowflake, the Norwell Youth Basketball League, for boys and girls in the 5th through the 8th grades started to take shape. The Commission is responsible for over 150 happy faces here, as Saturday mornings find our future citizens expressing themselves in this activity.

Along with the snow, came "Old Man Winter" who brought ice to Jacobs Pond. Lights were installed so that our Town's people could enjoy the feeling of gliding over a slick surface, after the sun has set.

Over a more lengthy time span, the Commission had other growth. Its meetings have developed into sessions that are run in a more professional manner, which lends to more effective handling of business matters, handling more business, and turning out a higher degree of productivity.

In an effort to receive many thoughts from our people, the Commission sent out a recreation interest questionnaire. About 18% of those sent out, responded, and many helpful suggestions were made. The data will be used in developing future endeavors.

The Commission cooperated in a study which was made by a group from the Norwell High School. The Study involved taking inventory of some of the aspects of our local government structure. It is awfully nice to see that the schools are recognizing recreation as an integral part of the whole municipal system.

In an effort to notify more people to our offered activities, the Commission is distributing a monthly recreation calendar, which is posted throughout the town and will serve as our bulletin, until the present system is changed.

The Prouty Avenue Playground has been almost doubled in size, and made much more playable, because of leveling of an open area, blacktopping a square for better court game play, and surveying the additional land for a possible fence, and thus providing picnicking and rumpus space in a defined area, for the protection of all.

It is hoped that this area will be added to our summer playground system, as it potentially serves over 100 children.

Throughout the year, progress has been made, along with the Golf Course Study Committee, in regards to making our citizens aware of all aspects and ramifications involved in developing the proposed site. Both groups have worked hard to come up with answers that satisfy the curiosity of each interested citizen.

The Little League Fields have been drained, so the third baseman doesn't have to tread water, while waiting for the ball to be hit to him. This project was started during the last months of the year, and will be finally completed, when the ground decides to sprout the grass that covers the pipes. The Commission is grateful to the Superintendent of Public Grounds, Wesley Osborne, Jr. for his cooperation in supervising this project.

In looking at what lies ahead, one sees an extended summer playground season to eight weeks, more activities for youth during the winter and for the adults during the summer, more programs for our senior citizens, and our handicapped, and the developing of interest clubs of all sorts. We strive toward using every piece of available space, as much of the time as possible, for as many people of the town as possible.

The Commission wishes to show its appreciation to the Norwell School Department and Committee for the use of their facilities for many of our activities, the Norwell Women's Club for sponsoring a reception for the Superintendent and for assisting with the programming throughout the year, as did the Norwell Jaycees. We also wish to thank the Board of Selectmen and the Board of Water Commissioners for their assistance in making 1972 as successful as it was.

So many plans are in the fire, and we need that spark of interest that kindles the flame into a roaring beacon of wise, constructive and voluntary use of our leisure time. Then we will be much more able to cope with everyday problems, and will know what happiness is, a little better.

Respectfully submitted,
Austin S. Reynolds, Jr. *Chairman*
Martin E. Morrill, Jr. *Secretary*
Walter R. Abbott, Jr.
James T. King
Mary O. Knapp
Judson O. Thomas, *Superintendent*

REPORT OF THE TREE WARDEN & SUPERINTENDENT OF PUBLIC GROUNDS

To the Citizens of the Town of Norwell:

Norwell has many thousands of public shade trees along its roadsides and on its public grounds. All of these trees will require some maintenance, if only to remove the tree when it dies and becomes a hazard to the public. It must be remembered that to highly maintain this great number of trees would be impractical, if not impossible. Therefore, a minimum maintenance program is given to these trees. Removal of trees which have become dangerous has to take precedence over other

work. For example, we have approximately eight hundred (800) sugar maple trees, along our roadsides, which will require pruning or removal over the next several years.

Of course, the Dutch elm disease is still prevalent in all of the United States. There is some new research being done which may help to prevent and arrest this disease and we are experimenting with a highly prized elm tree on River Street.

Norwell did not have a serious outbreak of tree-feeding insect pests this year. However, a small infestation of Gypsy Moths was discovered in the River Street section of Town. This insect, in epidemic circumstances can be very serious. It can and does defoliate all trees during the spring when the tree is in its most active growth.

Thirty-five (35) shade trees of various species were planted along our roadsides in 1972. They consisted of Norway maples, flowering crabs, flowering cherry and mountain ash.

School grounds and other public grounds were cared for in the usual manner. This includes a proper mowing program, fertilizing and other maintenance work when necessary.

Preparations are being started in conjunction with the building committee to provide the necessary equipment to maintain the new High School fields when they become the Town's responsibility. The new fields being constructed with the High School should provide Norwell with an excellent facility for its athletic and recreational programs. However, it will require a high maintenance program to keep these fields in their most useful condition. The public grounds department will make every effort to provide the care these areas will require.

The tree and public grounds department has done its best to cooperate and assist all Town Departments when it was possible to do so and wishes to express its thanks for the help the other Departments extended to us.

Respectfully submitted,
Wesley H. Osborne, Jr.
*Tree Warden &
Superintendent of Public Grounds*

REPORT OF THE PERSONNEL BOARD

TO: Members of the Board of Selectmen and the Advisory Board

A review of the Personnel Board's accomplishments and recommendations in calendar 1972, showed the submission of a compensation schedule to the Board of Selectmen. Such schedule covers all employees of the town, including elected and appointed officials. It shall be used in the preparation of all budgets for the following fiscal year.

The board has developed and is presently implementing a comprehensive personnel records file system for our town employees. This will include the vital statistics necessary for more efficient town office management.

An area in which the Personnel Board has enjoyed less than full-hearted cooperation which will result in a delay in its completion, is the Job Description Project;

however, after some frustration we are happy to announce the job description task will be soon underway. This is one of the boards top priorities and must be completed if the town is to achieve a fair, just, and equitable, with motive incentive, classification and compensation plan.

Finally, the members of the board are recommending a maximum 5% increase to all wage/salary budgets of the town departments for calendar 1973 and a maximum 2½% increase for the first six months of 1974.

Respectfully submitted,
Norwell Personnel Board
Nicholas J. Pizzella, *Chairman*
Harry H. Misakian, *Vice-Chairman*
Geoffrey G. Jackson, *Secretary*
Frederick H. St. Ours
Francis J. Nagle

REPORT OF THE DOG OFFICER

To the Board of Selectmen:

I submit my report as Dog Officer of the Town of Norwell for the year 1972.

Dogs reported missing	237	Complaints	180
Dogs returned to owners	140	Calls on unlicensed dogs	291
Dogs injured or killed on highways	38	Repeat Calls	95

Under the General Laws, Chapter 140, Section 136A, the license period is between April 1 and the following March 31, both dates inclusive. A dog must be licensed at age three months.

SECTION 137 — The owner or keeper of a licensed dog shall cause it to wear around its neck or body a collar or harness or other suitable material to which shall be securely attached a tag in a form prescribed by the Town issuing such license and the year of issue. This will help in returning your dog if lost.

Each year I have to make several hundred calls reminding owners that their dogs are unlicensed. Inasmuch as this is a costly procedure, the cooperation of all the Townspeople would be appreciated.

Respectfully submitted,
E. Clarence Joseph
Norwell Dog Officer

SOUTH SHORE MOSQUITO CONTROL PROJECT

To all the Citizens of Norwell:

Submitted herewith is the report of the South Shore Mosquito Control Project's activities for the year December 1, 1971 to November 30, 1972.

The project is a year round cooperative effort embracing the City of Quincy and Towns of Braintree, Cohasset, Duxbury, Hingham, Hull, Marshfield, Norwell, Scituate and Weymouth, covering a total area of 172 square miles, serving a population in excess of 230,000.

The Project is authorized and acts under the provisions of Massachusetts General Laws, Chapter 252, Section 59, mosquito control provisions, and Chapter 112, Acts of 1931, pertaining to maintenance of ditches put on the salt marshes under original act.

The Project continued to base its program on a recommended three phase approach to community mosquito control:

- A. Source Reduction, eliminating or reducing of water breeding sites of the mosquitoes.
- B. Reduction at the Source, larvaciding at the water breeding sites whereby a very minimum amount of insecticide can effect the greatest amount of kill of mosquito larvae and pupae.
- C. Reduction of adults, by an atomized space and residual spray in an area usually between the nearest accessible site of suspected mosquito emergence and the area of a noted large mosquito buildup.

Giving priority of operation in the order above.

Source Reduction:

All mosquitoes need a water source to breed. However, water alone does not constitute a mosquito condition. The requisites of stagnation, brackishness, pollution and level fluctuation are also necessary to some extent. Eliminate one, two, or all these conditions, termed "source reduction or water management" and mosquitoes would also be eliminated to the same degree.

The project operates 2 crawler tractor backhoe trenchers especially adapted to work upon coastal salt marshes; this is where the greater amount of its mosquito problems would be.

Along these lines of source reduction this project accomplished the following in this past year:

- 13,263 cu. ft. new ditch excavated
- 319,015 cu. ft. ditches reclaimed
- 9,080 feet of brook and stream cleaning
- 77,284 sq. ft. of brushing to facilitate access to work
and treat these breeding areas.

Reduction at the Source:

Mosquitoes, while in their period of water development (larvae and pupae) are in their most vulnerable state for they are in large concentrations and restricted to small areas, thus allowing very minute amounts of insecticide to render the greatest

level of mosquito fatality, the same time this limits to a great extent the harmful effects on other aquatic and marsh life with such low dosages.

Several methods are employed by the project to mosquito larvacide; aircraft, both helicopter and fixed wing making low volume application to the large woodland swamps, power sprayer tanks, with hose, in areas accessible from the roads, back pack sprayers to the smaller and inaccessible areas, also power sprayers mounted on Jeep model vehicles are used to treat roadside and storm drain catch basins.

All areas larvacided are either actually breeding mosquitoes at the time of application or are known to be sure breeding areas at future dates.

Accomplished by this project by reducing at the source in this past year, 2,880 acres were larvacided by helicopter, 9,060 acres were larvacided by fixed wing aircraft, 3,198 gallons of insecticide were used to larvacide 3,198 acres by various means of ground equipment, 2,586 gallons of insecticide were used to larvacide 27,411 basins. 1,357 hours were spent pre-and-post-checking these many breeding sites.

Reduction of Adult Mosquitoes:

By the use of power mist blowers, atomized particles of insecticide were dispersed in noted areas of large mosquito infestations. Contact with this insecticidal spray by the mosquito while in flight or as it rests in an area treated with this insecticide considerably reduced its numbers.

In many areas inaccessible by vehicles, a power pack back mist blower was used. 9,487 gallons of insecticide were applied to approximately 9,487 acres by both truck mounted and back pack mist blowers.

The degree of success in both programs "Reduction of the Source" and "Reduction at the Source" can be measured by the steady reduction of the needs for adulticiding. This adulticide reduction now being realized in this project, however, certain weather and other conditions can reverse such a trend as did this past season.

The spring of 1972 gave this area one of its wettest seasons in several years and continued so into mid-summer. The month of June having the record of third highest in precipitation on record. All this wet weather not only increased mosquito breeding sites but cause many incidents of re-hatch in area previously treated due to wash away and water level fluctuation.

Calls for mosquito service did increase over previous years necessitating an increase in adulticiding operation at the expense of a reduction in source reduction work.

The check-out of each and every call received into projects office still remains the projects policy.

The insecticides used in this project's operation in 1972 were:

1. Abate, the main mosquito larvacide formulated at between .031 to .046 pound of actual material to acre.
2. Baytex (Fenthion) as a larvacide in storm drain, catchbasins and in breeding water having a high organic level at formulation rates at .015 to .062 pounds actual material to acre.

3. Malathion, the main mosquito adulticiding material formulated at between 0.2 to 0.5 pounds of actual material to acre.

These insecticides are all registered for mosquito control use in Massachusetts. The label recommendations formulations rates and limits in application are implicitly abided by and more often than less at the minimum levels.

Eastern Equine Encephalitis:

Although this year there were no reported incidents of Eastern Equine Encephalitis in man or horses this dread mosquito born virus remains a threat, for this year as in others the virus has been detected in the wild birds of the area and these are believed to be the natural reservoir of this virus.

Dog Heart Worm has been reported as on the increase in the past two years the mosquito is suspected of being the main vector for this fatal dog disease.

For these reasons the mosquito remains a health menace in this area.

The project wishes to acknowledge all assistance received from the officials and departments of the communities it serves and give notice that it shall as always remain ready with its personnel and equipment to continue to serve these wherever and whenever it is called upon.

COUNCIL ON AGING

As 1972 ends, we find that once again the Council on Aging has been able to provide the Senior Citizens of Norwell with many recreational programs. This year, ceramics was introduced through the generosity of Mrs. Myrtle Kelly, who not only donated her time but also provided the lessons and equipment at no charge.

Many trips were taken over the year. On these trips, the Council makes all the necessary arrangements and provides the bus. Some of the places visited were: Castle in the Clouds in Moultonboro, N. H., Bensons Animal Farm in Hudson, N.H., Burlington Shopping Mall, Red Sox game in Boston, and the Edaville Railroad in Carver to see the Christmas lights. A movie was enjoyed in Brockton at the Cinema.

A Flu Clinic for the Elderly was held at the Osborne School in December, with the follow-up shot to be given in January. At this time we would like to thank Dr. Raymond Vinal, The School Dept., and the Visiting Nurse Assoc. for their help.

The "Hot Lunch" program continues on Thursday at the Osborne School, when school is in session. The girls in the lunchroom have utterly spoiled the Senior Citizens. On the first and third Thursday, a shopping bus is provided after the luncheons, and usually either Westgate Mall in Brockton or the South Shore Shopping Plaza in Braintree is visited. The attentiveness of Phil Joseph, driver of the Norwell Coach is certainly appreciated by the Seniors.

We wish to extend our thanks to all who helped in any way; to Linwood Snow, who donated money to the Senior Citizens, to the Norwell Grange, the Womans' Club of Norwell, and all others, who in any way helped.

REPORT OF THE ROAD SALT COMMITTEE

The Road Salt Study Committee has held 7 meetings, as of January 5, to study the effects of road salt on the environment and the town water supply in particular. Norwell already has one well seriously contaminated; the probability of others exceeding the permissible chloride level in a few years is alarming. We face a serious degradation of our water, loss of our wells or both and a hazard to our health if we continue current salting practice.

The committee discovered immediately that there is a general agreement on the threat to the environment posed by indiscriminate use of salt: our first speaker was William J. O'Brien, consultant to the Salt Institute, the salt industry's own public relations organization. Mr. O'Brien brought materials from the salt industry designed to assist "Sensible Salting Committees" in local communities. The next speaker was Charles Conn II, then executive director of Habitat, Inc., the environmental research group that was commissioned by the Massachusetts and National Audubon Societies to prepare a more objective summary of the salt question. The Habitat report points out that much of the material currently available on the problem has been distributed by the Salt Institute itself, and that therefore more objective research is urgently needed, especially in regards to the assumed but generally unproven belief that increased use of salt leads to increased public safety on the highways. The report concludes: "There appears, however, to be little statistical evidence either to substantiate or to disprove the connection (between salt and safety) although attempts have been made to do each."

Salt tonnage in the U.S. has increased about 1800% from 1947 to 1970. The figures available for Norwell show

2000 tons	purchased	1967
1250 "	"	1968
1854 "	"	1969
2312 "	"	1970
3344 "	"	1971

A position paper published by Citizens of Winchester lists the tons used per street mile in 8 suburban Boston communities during the winter of 1969-70. While these generally colder communities ranged from 8.5 to 55 tons per mile, only two used more than Norwell; Winchester at 55 tons/mile was by far the highest and is reportedly attempting a 30% reduction. The average of Norwell's salt purchased for the years 1969 and 1970 (2083 tons) divided by 67 miles of road gives a rate of 31 tons/mile. The 1971 purchase level gives a rate of 49.9 tons/mile. (These figures are admittedly an approximation, but the only gauge we have so far) The Salt Institute recommends only 20 tons/mile for a 20 storm winter.

The term salt here applies to a coarse form of sodium chloride, NaCl, common table salt. Calcium chloride is also used but only for specific purposes, in much smaller quantity because of its higher cost. There are also chemical additives in de-icing salts, including complex cyanides used as anti-caking agents, and chromate compounds used as corrosion inhibitors. These cause great concern because they not only have a highly toxic potential but little is known about what happens to them.

The Massachusetts Dept. of Public Health forces the closing of any well that consistently shows a chloride content of over 250 parts per million (ppm); but that is primarily an aesthetic criterion, being the point at which one can taste the salt. A chloride level of less than 25ppm is recommended. A major source of inform-

ation on water contamination from road salts was made public just days before the due date of this report; the A.D. Little report on the effect of Salt on the Environment commissioned by the Commonwealth of Massachusetts. This most recent report stresses the lack of a state or national maximum for sodium, although the American Heart Association recommends a maximum of only 20ppm of sodium for persons on low salt diets. The sodium level is crucial to health because a high salt intake is a direct cause of hypertension, a contributing factor in various forms of heart disease. An estimated 1/5th or more of all American adults suffer from hypertension, and heart disease accounts for 55% of all U.S. deaths, 62% in Norwell in 1970. High salt content is also of concern in pregnancy and certain kidney diseases. There were already 14ppm sodium in Norwell tap water in March 1972; projecting the percentage increases we could expect current figures to come close to Heart's 20ppm maximum. Norwell received a Medical Alert from Mass. Commissioner of Public Health in 1970 because of excessive sodium in No.1 So. St. well (when the chloride exceeded 250ppm) but the water board was able to reduce the level by continuous pumping into the pond, then mixing with water from other wells to further reduce its effects. The Board also has had the cooperation of the Highway Dept. in maintaining a short salt free zone on South St. from Mill St. to the Norwell line.

As salt usage has increased, so has the salt content in the town wells. No.1 So. St. well is seriously contaminated, and while the levels in most other wells are still low, the percentage increases are alarmingly high. (see chart)

CHLORIDE CONTENT IN FOUR NORWELL WELLS (Mg/L)

DATA + + +					PROJECTIONS + + +			
Well	9/69	9/70	7/71	3/72	1974	1976	1977	Location
#1	195	240	250	260	360 (+/- 50)	380 (+/- 60)	410 (+/- 60)	South St.
#2	10	27	23	24	50 (+/-12)	150 (+/-75)	250 (+/-150)	Grove St.
#3	38	44	61	69	125 (+/-25)	200 (+/-50)	300 (+/-50)	Ridge Hill Rd.
#4	11	25	30	38	75 (+/-15)	225 (+/-75)	300 (+/-100)	Grove St.
Tap	—	20	23	66	175 (depends upon mix)			

ABOVE DATA FROM TESTS

Although above data is for C1 only, Na content can be assumed to be about 40% of C1 figure.

Above data based on rate of change in Chlorides in past. Figure above parentheses is prob. C1 content in future if road salt use continues at present rate. Figures in parentheses indicate max. and min. based upon max. and min. rate of change in test data.

Based on well tests in Norwell to date, and assuming an increase in salt content in the future at the same rate as in the past, we can expect the other wells to reach a chloride level of 250ppm in approximately 5 years. Because of slow seepage of salt through the soil, even if salt were stopped today there would probably be an increase in salt in the wells for at least two or three years. The chloride increases we are seeing now are most likely the result of salt used several years ago, perhaps 1968. The actual time lag cannot be determined without costly hydrographic studies, and depends on soil permeability, water flow, amount of rainfall, etc. The effects of salt on the soil are cumulative, and, as an Environmental Protection Agency report on the impact of highway de-icing states, "Unfortunately, the rectification of a contaminated ground water aquifer generally requires many years after remedial measures are first initiated."

Other environmental and property damages include the adverse effects of high salt concentrations on soil, roadside trees and other vegetation, corrosion of automobiles and deterioration of concrete highway structures, and toxic effects on fish and wildlife where runoff levels of chlorides and various toxic chemical additives are high. Total cost estimates are elusive; it is hard to put a dollar value on either motorist convenience or the lowering of the quality of life. However, estimates on the cost of auto corrosion, itself a safety hazard, run from \$5 to \$200 per year per vehicle; the Society of Automotive Engineers estimate was \$100 per year.

Why has Norwell been using so much salt? Because it is efficient, and heavy use was accepted practice among maintenance engineers until the present. In the opinion of the Highway Surveyor, usage has always been "moderate and well controlled", the limit imposed by Article No. 27 of the 1972 Town Meeting. He has used what he felt necessary to do the best possible job, although precise control of amounts spread is difficult with Norwell's present equipment. The Committee consensus is that the recent levels are the result of more roads (subdivisions etc.), more cars and primarily the Highway Surveyor's conscientious and successful response to the demand for an increasingly higher standard of wintertime maintenance—clearer, faster roads. Awareness of the threat implicit in heavy reliance on salt is very recent, but now the citizens must become aware that the quality of life faces further degradation, and potable water supplies are seriously threatened unless we are willing to put up with some slower driving, and not expect "June driving in January". There are alternatives, including total or partial bans, selective salting of the most critical roads, etc. The town must choose between maximum speed on winter roads and the quality of its water supplies.

Possible courses of action include:

1. A total ban, unquestionably the best for the water supply.
2. Selective salting of the most heavily travelled roads, the Old Oaken Bucket — Norwell Ave. — Grove Street commuter route, Main Street for instance, or of key areas, intersections, hills, etc., to be determined by the Selectmen, Highway Surveyor and Police Chief.
3. A reduction to a finite amount, perhaps the 1250 tons used in 1968, to be used at the discretion of the Highway Surveyor.

If we continue to use salt, we definitely need more precise equipment, a covered storage shed, accurate data and quantity control, items costly in themselves but negligible compared to the cost of new or outside water supplies, if such were available. Most of all we need an aware public and more cautious winter driving.

SOUTH SHORE REGIONAL SCHOOL DISTRICT

During 1972 South Shore Regional Vocational Technical High School in Hanover has had two major highlights. First, the school has been granted continued membership in the New England Association of Schools and Colleges for a ten year period. Second, the school has embarked on a study for future expansion and programs to include girls by hiring Educational Consultants Council, Inc. The two developments are closely linked. The chief recommendations by the New England Association were space for safety and for expanded programs which should include vocational and technical studies for girls. We at Vo-Tech were proud to report that studies were underway. Lay committees in the six towns (Norwell, Hanover, Scituate, Cohasset, Abington and Rockland) to assure full community participation and needs are being formed.

Before full expansion space is started, to meet immediate needs, a modular building (50' x 100') will be leased to provide an adequate library, reading laboratory and office. (The Occupational Division of the Massachusetts Department of Education has assured the school there will be 50% reimbursement in leasing this unit.) A remedial reading instructor has already been added to the staff and is busy with students who have reading handicaps.

Hockey is the most interested sport so it has been expanded to include a full junior varsity program.

In the evening school, trade extension programs are held in Auto Body, Precision Sheet Metal, Welding and Electrical Code and Theory. The latter course has eighty participants in three classes. The ever popular Carpentry course for residents is continuing. Two courses authorized by new legislation for preparatory training are in progress — Automotive Skills and T. V. Radio Repair. People may register regardless of their full time employment.

Equipment is being continually updated so our shops can send out workers ready for today's market skills. The Drafting Department is now fully equipped with industrial type drawing tables to accommodate all sizes of drawing projects and people. The Precision Sheet Metal Section has initiated die refurbishing and sharpening as part of their program with the addition of a Bridgeport. New lathes have been added to replace obsolete N I E R equipment. The Automotive program has included automotive air conditioning as well as a unit on disc brakes with the necessary hands-on-equipment for training.

Helping the South Shore Natural Science Center on Jacob's Lane, Norwell complete its building program has kept the Carpentry and Electrical classes working while helping the community. The other outside project, the house on Captain Vinal Way in Norwell is progressing.

Concern for a wide range of student interests and intellect are important to our school so programs for pupils of limited ability as well as opportunities for future college enrollment are in operation.

Placement services, full and part time are provided for all students and graduates.

Norwell 1972 graduates are Robert Wayne Valair and John Mathieson Stewart.

Respectfully submitted,
Gunvor N. Armstrong

REPORT OF THE NORWELL SCHOOL COMMITTEE

The year 1972 best exemplifies how the cohesiveness of a community and the understanding and cooperation of its members can overcome practically any obstacle. Overcrowded conditions are at their worst — as we eagerly await the opening of our new high school and subsequent creation of an additional elementary school — our children are attending classes in libraries, gymnasiums, teacher's rooms, and supply closets; our high school is on a staggered schedule and our kindergartens are functioning in converted church facilities.

In spite of these disadvantages, our students continue to demonstrate their excellence in the fields of academic achievement, drama, and athletics. This is indeed a tribute to an excellent administrative and teaching staff and an understanding community without whose help we could not have overcome these difficulties.

Several important policy changes were implemented this year which are worthy of note. First, a basic change was made in the administrative structure relative to curriculum supervision. Previously, we had appointed coordinators for each major field of study from grades one through twelve. This system, in the opinion of the Superintendent, had created a division of responsibility in the administrative staff. Consequently, on his recommendation, the coordinator's function was eliminated and High School Department Heads reinstated. System-wide coordination will, in the future, be administered by the Superintendent's office.

Secondly, after several years of studying various kindergarten systems, we have decided to offer for all schools a single program unique to Norwell, incorporating the best from each system. This program is being directed by our Assistant Superintendent.

Finally, in order to provide a set of guidelines for our administrative and teaching staff, a Discipline Policy was established which clearly defines procedures for dealing with student behavioral problems. This policy provides the student with as much assistance and guidance as possible in a manner which is uniform throughout the system.

As a result of a recently enacted legislation, we have some welcome additions to our committee this year. This new law requires that a Student Advisory Committee, elected by the student body, meet with the School Committee at least once every other month. Our meetings have thus far been quite meaningful. These students, as young adults within our system, can offer a point of view which is often overlooked. We look forward to their continued assistance.

As we look ahead to 1973, we foresee good and bad news. The good news, of course, is the anticipation that our new high school will be ready for occupancy in the fall. In conjunction, we will move the junior high school into the present high school and the Sparrell school will be converted into an elementary school, thereby alleviating our most pressing problems. The bad news is that we must pay for it.

At this writing, we are in the midst of preparing our new budget which must cover an 18-month period from January 1973 through June 1974 to meet the new state fiscal requirement. Our goals are basic — quality education at the least possible cost — and extremely difficult to attain. Salaries for the teaching staff have been negotiated for a two year period at a schedule which, in our opinion, is equitable and competitive with surrounding towns. This amount, coupled with our anticipated transportation and fixed utility costs, constitutes approximately 92% of the

total budget. The remaining variable costs of supplies, texts, maintenance, capital outlay, etc., are all being scrutinized to maintain a balance between cost and need. When considering these needs, we are constantly mindful of the fact that we are elected to represent all of the taxpayers of Norwell and strive to make our decisions accordingly.

With your continued support and encouragement, we anticipate 1973 will be a most rewarding year. Our meetings are open and we welcome your attendance and participation.

Respectfully submitted,
Samuel J. Ballerini, *Chairman*
Harold Simms
Mary Gunn
Robert Detwiler
Richard Tedeschi

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL COMMITTEE

The first item with which I must deal must be school enrollment and facility needs. Once again, our enrollment increased. The total enrollment as of October 1, 1972, was 2661. This compares to a total enrollment of 2508 as of October 1, 1971. This is a total growth of 153 students or approximately 6%. The breakdown by buildings is as follows:

Church Hill Kindergarten	182
Vinal Elementary School	366
Cole Elementary School	574
Osborn Elementary School	418
Junior High School	428
High School	693
	<hr/>
	2661

It is appropriate, at this time, to briefly discuss the difficulty of projecting enrollment in Norwell. Although nationally, and in fact in some surrounding communities, there has been a reduction in enrollment due to a slower birthrate, this has not had an impact here. Our population increase is a result of migration, or more specifically, in-migration, not births. During the past few years, Norwell has built many new homes. In addition, the homes tend to be expensive, with three or more bedrooms. This means that established families with school age children are moving in.

There are obviously many variables connected with in-migration. For example, available land, housing starts, available land and costs in surrounding towns, and the general economy, to name a few. We have done projections in the past, and will continue to do so. However, at present it appears clear that we will continue to grow in the immediate future.

There is more to education, however, than the statistics of enrollment and related problems. The heart of any school is, of course, the instructional program. There has been a tendency in recent years to equate change with improvement, but this is not necessarily the case. Change may be simply an attempt to be modern or,

in educational terms, innovative, for superficial reasons. In Norwell, we shall constantly evaluate our program and seek ways to improve, but we shall also be mindful of the danger of educational sirens luring us on the rocks. What is "in" this year might well be "out" next year. This does not imply a new rigidity but recognizes the need for calm, rational decisions based on experience and evidence.

With this in mind, there have been some changes in the curriculum during the past year. In the high school, semester courses in applied physics and applied chemistry were added to better meet the needs of non-college preparatory students. A semester course in data processing was also added in an attempt to strengthen our business department offerings. These courses will be evaluated at the end of this year to determine whether or not they should be continued.

The co-curricula activities were highlighted this past year by the Drama Club winning the State Festival and representing Massachusetts in the New England competition. In addition, the Norwell High School football team was undefeated, winning the South Shore League and recently being declared the winner of the State Division 4 Championship. The co-curricular program involves many students in a variety of activities and we believe it is a valuable and integral part of our school.

We were particularly proud at the high school that during the 1971-72 school year we were honored by having a National Merit Scholarship finalist, Mr. Douglas Knowles. In addition, there was one student who received a letter of commendation.

This year, Norwell again has a National Merit Scholarship Semi-Finalist, Miss Jane Whitcomb, and six students who received letters of commendation. This means that all of these young people scored in the 98th percentile, or above, on their examinations.

At the junior high school, the Oregon Curriculum in English was fully implemented this year. The tutoring program, which has proven so effective, has been expanded. A number of junior high school students continue to tutor at the Osborn Elementary School and in the special education class. In addition, the high school National Honor Society offers tutors to junior high school students.

In the elementary schools, the implementation of the Elementary School Math Program, published by Addison-Wesley, was completed this year. It is now in use in grades 1 through 6. In a number of classes, teachers are attempting new ways to meet the needs of individual students through such devices as teaming, paired instruction, and individualized reading.

We were particularly gratified this year with the initial success of the School Volunteer Program. Under the direction of Mrs. Priscilla Norling and Mr. Joseph Buckley, this program attempts to bring parent volunteers into the schools to meet specific needs. This may include such things as helping with drill, listening to readers, recording on cassettes, etc. To date, the program has involved approximately 65.

In attempting an annual report, one must necessarily make choices as to what to include or produce a document of such length that it becomes meaningless. Yet, there are many things which I would like to put before you. The cooperation of so many people during Safety Week, The Educational Goals Committee, the Teacher Effectiveness Program, and the coming together of the community during the High School Student Union Christmas Fair are a few. I sincerely hope that in the future

I may be given the opportunity of expanding these and many other facets of our school system.

Let me close by thanking the members of the School Committee, the staff, and the community for the support and cooperation given me.

Thank you.

Respectfully submitted,
Robert E. Bunnell
Superintendent of Schools

REPORT OF THE SCHOOL PHYSICIAN

Robert E. Bunnell, Superintendent of Schools
Norwell, Massachusetts

Dear Mr. Bunnell:

Please accept herewith my annual report as school physician.

All boys and girls on competing teams for the High School and Junior High School have been examined. The state requirement of routine examinations has been accomplished. This includes grades 12, 8 and 4. Histories and examinations of new students including kindergarten and first grades are usually and preferably initiated by the family doctor. I am glad to supplement these examinations whenever necessary.

Handicapped students present a special problem in that their medical histories are very necessary for both myself and the teachers. The students are usually unable to contribute information. Broken homes complicate available information. Before the school and health department accept the responsibility for any child, especially when abnormal, I believe a comprehensive history and examination is indicated. Usually this needs tedious social work.

We are fortunate in having three unusually competent nurses. They relieve teachers of many routine health problems in the 5 schools. They also serve as diplomatic social workers in their liaison between schools and parents. As they are kept very busy I would strongly recommend adding another nurse.

The participating athletes are outstanding in spite of the lack of proper facilities. I wish we could offer a program that would involve the non-athletes in either team sport experience or recreative sports that could be used in later adult life.

A continued positive approach for all health education is advisable. Special efforts are constantly necessary against the known hazards of drug abuse and smoking.

The health personnel and facilities have necessarily suffered from the overcrowded conditions. We are looking forward to better times with the new building program.

Sincerely yours,
Raymond G. Vinal, M. D.
School Physician

WARRANT FOR ANNUAL TOWN MEETING, MARCH 13, 1972

Plymouth, ss.

To one of the Constables of the Town of Norwell, in said County of Plymouth and Commonwealth of Massachusetts.

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Norwell, qualified to vote in elections and Town affairs to meet at the Senior High School in said Norwell on Monday, the thirteenth day of March, 1972 at 7:30 P. M., then and there to act upon the following articles, to wit:

ARTICLE 1

To see if the Town will accept the reports of its Officers, Boards, Departments, Committees and Commissions, as printed in the 1971 Annual Report, or act on anything relative thereto.

ARTICLE 2

To see if the Town will vote to raise and appropriate, or appropriate from available funds, sums of money to defray the charges, expenses and salary and payroll obligations of the Town, including debt and interest, to provide for a Reserve Fund for the ensuing year and to fix the salary and compensation of all Elected Officers of the Town, or act on anything relative thereto.

ARTICLE 3

To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1972, and January 1, 1973, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or act on anything relative thereto.

Requested by the Town Treasurer

ARTICLE 4

To see if the Town will vote to appropriate and transfer \$3,263.72, the 1971 County Dog Tax Refund, to the School Department General Education Expenses Account, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 5

To see if the Town will vote to authorize the Town Accountant to close out the unexpended balances in various accounts, the purposes of which have been completed, or act on anything relative thereto.

Requested by the Town Accountant

ARTICLE 6

To see if the Town will vote to raise and appropriate, or appropriate from available funds, sums of money for the payment of unpaid bills, or act on anything relative thereto.

Requested by the Town Accountant

ARTICLE 7

To see if the Town will vote to accept the provisions of General Laws, Chapter 39, Section 23, which provides in essence that a town which accepts this section may provide that the election of town officials shall take place at any time within seven (7) days before or after the annual town meeting held for the transaction of other business.

Requested by the Board of Selectmen

ARTICLE 8

To see if the Town will vote to accept the provisions of General Laws, Chapter 44, Section 53C, which provides in essence that in a town which accepts the provisions of this section, all monies received by it in payment for off-duty work details of members of its police department shall be deposited in the treasury, shall be kept in a special fund by the treasurer, apart from any other of its money, funds or other property, and shall be expended without further appropriation at the direction of the Chief of Police for the purpose of paying its police officers for such off-duty work details.

Requested by the Board of Selectmen

ARTICLE 9

To see if the Town will vote to accept the gifts of two contiguous parcels of land, containing a total of approximately 40.8 acres, located on the NORTHERLY SIDE of MAIN STREET and the WESTERLY SIDE of CENTRAL STREET, for conservation purposes, given to the Town of Norwell by ISABELLA F. FOGG and HELEN T. FOGG, upon the terms and conditions set forth in their deed to the Town of Norwell and for conservation purposes, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 10

To see if the Town will vote to accept the gift of the following parcel of land situated on the NORTHERLY SIDE of COOLIDGE ROAD containing 1,882 square feet, bounded as follows:

SOUTHERLY	by the NORTHERLY side line of COOLIDGE ROAD, 210,000 feet; thence again
SOUTHERLY	by the NORTHERLY side line of COOLIDGE ROAD, 82.24 feet; thence
WESTERLY	by Lot 16, 21.46 feet; thence
NORTHERLY	by the land of John W. Hall et al, 290.00 feet, thence
EASTERLY	by Lot 1, 5.00 feet;

all of the above courses and distances are shown on Land Court Plan No. 23452-A, Sheet 2, filed in the Registry District of Plymouth County, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 11

To see if the Town will vote to authorize the Board of Selectmen to acquire by purchase or by exchange for a lot or lots within the WASHINGTON STREET CEMETERY, for the enlargement of the TOWN CEMETERY located on WASHINGTON STREET, the following described land, bounded and described as follows:

Located on the NORTHERLY SIDE of the SOUTHEAST EXPRESSWAY, owned in whole or in part by WILLIAM HILLS and HILDA G. HILLS, containing approximately 16,800 square feet, bounded as follows:

SOUTHERLY	by the SOUTHEAST EXPRESSWAY and land of owners unknown
NORTHERLY	by land of the TOWN OF NORWELL
EASTERLY	by land designated as a portion of the WASHINGTON STREET CEMETERY

or act on anything relative thereto.

Requested by the Washington Street Cemetery Committee

ARTICLE 12

To see if the Town will vote to authorize and direct the Board of Selectmen to convey the two parcels of Town-owned land shown on a plan entitled "SKETCH PLAN OF LAND ON SOUTH STREET NORWELL", dated October 1, 1971, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated herein by reference, with the parcel containing 20,397 square feet to be conveyed to the owners of the lot labeled "COLLINS", and with the parcel containing 17,465 square feet to be conveyed to the owners of the lot entitled "BELL", or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 13

To see if the Town will vote to appropriate a sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, to be added to all other sums appropriated, for the construction of a new Senior High School Building, including the cost of original equipment and furnishings of said building, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, raised by taxation, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Permanent Building and Maintenance Committee

ARTICLE 14

To see if the Town will vote to authorize and direct the Board of Selectmen to execute, acknowledge and deliver and to receive deeds to complete the exchange of land as follows:

To accept a conveyance of lot No. 1, containing 27,924 square feet, as shown on the hereinafter referred plan, to the Town of Norwell, presently owned in whole or in part by Quentin L. Coons, and to convey a parcel of Town-owned property shown as Lot No. 2, containing 34,354 square feet, shown on the plan entitled "PLAN OF LAND OFF STETSON SHRINE LANE, NORWELL", dated: December 23, 1971, by Loring H. Jacobs and Associates Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated herein by reference, with Lot No. 1 to be added to the land known as the Golf Course Site and to be designated for use by the municipal golf course, with the acceptance of Lot No. 1 and the conveyance of Lot No. 2 to be without consideration, or act on anything relative thereto.

Requested by the Golf Course Committee

ARTICLE 15

To see if the Town will vote to appropriate a sum of money, to be expended under the direction of the Golf Course Committee, for the construction of a municipal golf course, including the construction of buildings and the cost of original equipment and furnishings, to be located on the STETSON SHRINE LANE SITE and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, or raised by taxation, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Golf Course Committee

ARTICLE 16

To see if the Town will vote to accept HALL DRIVE and GERMAINE ROAD as Town Ways, as laid out by the Selectmen, in accordance with the descriptions and plans presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office, without appropriation, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 17

To see if the Town will vote to accept CHRISTOPHER ROAD, as a Town Way, as laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office, without appropriation, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 18

To see if the Town will vote to accept a portion of BRIGANTINE CIRCLE, as a Town Way, as laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office, without appropriation, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 19

To see if the Town will vote to accept the alteration and relocation of a portion of Bowker Street, as altered, relocated and laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office and to authorize the Selectmen to acquire, in fee simple, by purchase, gift, or a taking by eminent domain, the land shown on the plan entitled: "ALTERATION AND RELOCATION OF A PORTION OF BOWKER STREET NORWELL", dated January 20, 1971, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated herein by reference, and to raise and appropriate, or appropriate from available funds, therefore, and all expenses in connection therewith, the sum of \$16,000.00, or any other sum, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 20

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$6,000.00, or any other sum, to be expended under the direction of the Highway Surveyor, for the purchase of a new four-wheel drive pickup truck complete with snowplow and two-way radio for the Highway Department, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 21

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$7,000.00, or any sum, to be expended under the direction of the Highway Surveyor, for the purchase of a new truck chassis complete with two-way radio for the Highway Department, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 22

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$40,000.00, or any other sum, to be expended under the direction of the Highway Surveyor, for the resurfacing of sections of River Street, High Street, Winter Street, Circuit Street, Pine Street, and Mt. Blue Street, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 23

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$5,000.00, or any sum, to be expended under the direction of the Highway Surveyor, for the construction, installation, maintenance, filling, and operation of a gas tank, fuel tank and pumps at the Highway Department garage, to be used by the Highway Department, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 24

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$15,000.00 or any other sum, in anticipation of reimbursement by the Commonwealth of Massachusetts, for Chapter 497 of the Acts of 1971 Work on the Highways, to be expended under the direction of the Highway Surveyor, or act on anything relative thereto.

Requested by the Highway Surveyor

ARTICLE 25

To see if the Town will vote to appropriate from available funds the sum of \$20,625.00. or any other sum, in anticipation of partial reimbursement by the Commonwealth of Massachusetts, for Chapter 81 maintenance work on the Highways, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 26

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$1,000.00, or any other sum, to be expended under the direction of the Board of Selectmen, for drainage work on Tiffany Road, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 27

To see if the Town will vote to amend Article X of the Town By-Laws, entitled: "PUBLIC WAYS", by adding a new Section 13 to read as follows:

"SECTION 13. No person, including public officers and employees, shall place or deposit salt or similar contaminating substances upon any street, public parking area or road or highway under the jurisdiction of the Town of Norwell, at any season of the year.", or act on anything relative thereto.

Requested by 15 Registered Voters

ARTICLE 28

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$2,500.00, or any other sum, to be expended under the direction of the Board of Selectmen, for work on the laying out of Town Ways, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 29

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$2,500.00, or any other sum, to be expended under the direction of the Board of Health, for employing a professional engineer to study, report and make specific recommendations on alternative methods for solid waste disposal and new disposal areas within the Town of Norwell, or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 30

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$5,000.00, or any other sum, to be expended under the direction of the Treasurer, for the purchase of a bookkeeping machine to be used by various departments of the Town at the Town Hall, or act on anything relative thereto.

Requested by the Town Treasurer

ARTICLE 31

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$3,750.00, or any other sum, to be expended under the direction of the Board of Water Commissioners, for the purchase of a motor vehicle for the use of the newly appointed Water Superintendent, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 32

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$15,000.00, or any other sum, to be added to the Developing Well and Well Fields and Pumping Test Accounts, to be expended under the direction of the Board of Water Commissioners, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 33

To see if the Town will vote to appropriate the sum of \$30,000.00 or any other sum, to be expended under the direction of the Board of Water Commissioners, for the construction of a pumping station, on the Washington Street Well Site, including original equipment therefor, and for laying and relaying water mains, of not less than six inches but less than sixteen inches in diameter, between the pumping station and the existing main in Washington Street, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 34

To see if the Town will vote to appropriate the sum of \$9,600.00, or any other sum, to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains, of not less than six inches, but less than sixteen inches in diameter, in Winter Street from the junction of Winter and Cross Streets for a distance of approximately 1200 feet, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 35

To see if the Town will vote to appropriate the sum of \$10,400.00 or any other sum, to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains, of not less than six inches but less than sixteen inches in diameter, in Green Street from the junction of Green and River Streets for a distance of approximately 1300 feet, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 36

To see if the Town will vote to appropriate the sum of \$25,000.00, or any other sum, to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in Stetson Shrine Lane from the junction of River Street and Stetson Shrine Lane for a distance of approximately 3000 feet to a location near the Southeast Expressway, for a connection to a main extension from Stetson Road, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing or any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 37

To see if the Town will vote to appropriate the sum of \$12,000.00, or any other sum, to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in First Parish Road from the junction of First Parish Road and Summer Street for a distance of approximately 1300 feet, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 38

To see if the Town will vote to appropriate the sum of \$20,000.00, or any other sum, to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in the southeasterly section of Mt. Blue Street, from the end of the existing main for a distance of approximately 2200 feet, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Water Commissioners

ARTICLE 39

To see if the Town will vote to authorize and direct the Board of Water Commissioners to acquire, in fee simple, by purchase or by a taking by eminent domain, for the protection of the Norwell Water System and for use by and under the direction of the Board of Health, the land located on the EASTERLY side of SOUTH STREET, containing approximately 25 acres, owned in whole or in part by Petrell Land Development Corporation, being the NORTHERLY portion of Parcel No. 13 shown on Page R. 23 of the Assessors' Atlas, on file in the Assessors' Office, bounded and described as follows:

NORTHERLY by land now or formerly of Georgetti;
EASTERLY by land of the Town of Norwell;
SOUTHERLY by land of the Town of Norwell
WESTERLY by SOUTH STREET, by land of the Town of Norwell,
by land now or formerly of Page, by land now or formerly of Weaver,
by land now or formerly of Smith and by land now or formerly of Tierney;

and to appropriate therefor, and all expenses in connection therewith, a sum of money, and to determine whether the same shall be provided by transfer from available funds, by borrowing, raised by taxation, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 40

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$3,600.00, or any other sum, to be expended under the direction of the Tree Warden, for the purchase of a new pick-up truck to replace the one now in use, or act on anything relative thereto.

Requested by the Tree Warden

ARTICLE 41

To see if the Town will vote to appropriate the sum of \$58,000.00. or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, for the final plans and construction of a building, including the cost of original equipment and furnishings of said building, for use by the Tree and Public Grounds Department and the Board of Health, for equipment storage and maintenance, on Town-owned land, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Tree Warden and the Board of Health

ARTICLE 42

To see if the Town will vote to appropriate the sum of \$10,800.00, or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a building, including the cost of original equipment and furnishings of said building, to be used by the Board of Health for equipment storage and maintenance, and to determine whether the same will be provided by taxation, by transfer from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 43

To see if the Town will vote to instruct the Moderator to appoint a committee of five (5) residents of the Town, to be known as the Jacobs Pond Commission, to investigate the condition of Jacob's Pond and the possible methods of reclamation and to report its findings to the Town, and to raise and appropriate the sum of \$3,500.00, or any other sum, to be expended under the direction of the Commission, for the investigation and report, or act on anything relative thereto.

Requested by 20 Registered Voters

ARTICLE 44

To see if the Town will vote to authorize and direct the Board of Selectmen to acquire a parcel of land in fee simple, by purchase, by a taking by eminent domain or by gift, for purposes of expanding the Fire Station located on Tiffany Road, with said land bounded and described as follows:

NORTHERLY

By land now or formerly of Kennedy

EASTERLY

By the Church Hill Cemetery

SOUTHERLY

By land of Visser and by the Tiffany Road Fire Station Lot

WESTERLY

By Tiffany Road

and to raise and appropriate therefor, and all expenses in connection therewith, the sum of \$1,000.00, or any other sum, or act on anything relative thereto.

Requested by the Board of Fire Engineers

ARTICLE 45

To see if the Town will vote to establish, designate and place under the control of the Board of Selectmen the parcel of Town-owned property located on the WESTERLY SIDE of SOUTH STREET, consisting of approximately six (6) acres, shown as a proposed library site on sketch plan entitled: "PLAN OF LAND FOR LIBRARY SITE SOUTH STREET NORWELL", dated January 6, 1972, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office to be used as the site for the construction of a new town library, or act on anything relative thereto.

Requested by the Library Study Committee and
the Library Site Committee

ARTICLE 46

To see if the Town will vote to appropriate a sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a town library, including the cost of original equipment and furnishings of said building, with the space and basic planning requirements to be established by the Library Study Committee, and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Library Study Committee and
the Library Site Committee

ARTICLE 47

To see if the Town will vote to authorize the Board of Selectmen to acquire, in fee simple, by purchase or by eminent domain, for the purpose of Town Office space, committee meeting areas and public document and storage space, a parcel of land containing approximately two-thirds of an acre, with the building thereon, situated on the SOUTHERLY SIDE of MAIN STREET and bounded:

NORTHEASTERLY	by MAIN STREET
SOUTHEASTERLY	by land of the FIRST PARISH CEMETERY
SOUTHWESTERLY	by WEST STREET
NORTHWESTERLY	by land of the SOUTH SCITUATE SAVINGS BANK and land now or formerly of NELLIE L. SPARRELL

known as 690 MAIN STREET, and to appropriate therefore, and all expenses in connection therewith, the sum of \$60,000.00, or any other sum, and to determine whether the same shall be provided by taxation, by borrowing, by transfer from available funds, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 48

To see if the Town will vote to appropriate the sum of \$40,000.00, or any other sum, to be expended under the direction of the Permanent Building and Maintenance Committee, in accordance with the specifications developed by the Board of Selectmen, for renovating, remodeling, equipping and furnishing the building located on the land described in Article 47 of this Warrant, for use as Town Office space, committee meeting areas and public document and storage space and to determine whether the same shall be provided by taxation, by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Selectmen and the
Permanent Building and Maintenance Committee

ARTICLE 49

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$7,500.00 or any other sum, to be expended under the direction of the Board of Selectmen, for paving and landscaping the parking area behind the Cushing Memorial Town Hall, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 50

To see if the Town will vote to amend its Zoning By-Law and so note on its Zoning Map by changing from "*Residential District A*" to "*Business District C-3*" the following described parcels of land situated on the SOUTHWESTERLY side of the SOUTHEAST EXPRESSWAY, bounded and described as follows:

"Beginning at the intersection of the SOUTHWESTERLY WAY LINE of the SOUTHEAST EXPRESSWAY and the NORTHWESTERLY WAY LINE of SOUTH STREET; thence SOUTHWESTERLY in the NORTHWESTERLY WAY LINE of SOUTH STREET to its intersection with the NORTHERLY WAY LINE OF MILL STREET; thence WESTERLY in the NORTHERLY WAY LINE OF MILL STREET to its intersection with the thread of THIRD HERRING BROOK which is also the NORWELL-HANOVER TOWN LINE; thence in a generally NORTHWESTERLY direction in the thread of THIRD HERRING BROOK which is the NORWELL-HANOVER TOWN LINE to the intersection with the SOUTHWESTERLY WAY LINE of the SOUTHEAST EXPRESSWAY; thence in the SOUTHWESTERLY WAY LINE of SOUTHEAST EXPRESSWAY to its intersection with the NORTHWESTERLY WAY LINE of SOUTH STREET at the point of beginning,"

or act on anything relative thereto.

Requested by the Planning Board

ARTICLE 51

To see if the Town will vote to adopt an official map, prepared under the direction of the Planning Board, a copy of which has been filed with the Town Clerk's Office and which is incorporated herein by reference, or act on anything relative thereto.

Requested by the Planning Board

ARTICLE 52

To see if the Town will vote to discontinue all Town Ways not shown on the official map, or act on anything relative thereto.

Requested by the Planning Board

ARTICLE 53

To see if the Town will vote to raise and appropriate, or appropriate from available funds the sum of \$2,500.00 or any other sum, to be expended under the direction of the Planning Board for the preparation of preliminary plans and cost estimates to establish Flood Plan Zoning, or act on anything relative thereto.

Requested by the Planning Board

ARTICLE 54

To see if the Town will vote to amend its Zoning By-Law and so note on its Zoning Map by changing from "*Residential District A*" to "*Business District C-3*" the following described parcel of land:

That certain parcel of land situated on the SOUTHWESTERLY side of the SOUTHEAST EXPRESSWAY in the TOWN OF NORWELL, Plymouth County, Massachusetts, bounded and described as follows:

NORTHWESTERLY

By the SOUTHEAST EXPRESSWAY,
770.00 feet, more or less

EASTERLY

By land now or formerly of BUNNELL,
518.00 feet, more or less

SOUTHERLY AND
EASTERLY

Again by land, now or formerly of BUNNELL, by two courses,
208.37 feet, and 33.00 feet, more or less

SOUTHWESTERLY

By the center line of THIRD HERRING BROOK and
the HANOVER-NORWELL TOWN LINE, about 1,300 feet

with said parcel more particularly shown and described on a plan prepared by
Bradford Saivetz and Associates, Inc., of Braintree, Massachusetts, dated January 5,
1971, a copy of which is filed with this Article in the Town Clerk's Office, or act
on anything relative thereto.

Requested by the Planning Board

ARTICLE 55

To see if the Town will vote to amend ARTICLE XVII of the TOWN BY-LAWS
entitled: "ZONING BY-LAWS", by amending the description of BUSINESS DIS-
TRICT C-1, in Section III to read as follows:

"C-1. Beginning at the intersection of the SOUTHEASTERLY WAY LINE of
POND STREET and the NORWELL-ROCKLAND TOWN LINE; thence
SOUTHERLY in the NORWELL-ROCKLAND TOWN LINE to its intersec-
tion with the NORTHEASTERLY WAY LINE of the SOUTHEAST EX-
PRESSWAY; thence SOUTHEASTERLY in the NORTHEASTERLY WAY
LINE of the SOUTHEAST EXPRESSWAY to a point four hundred seventy-
five feet SOUTHWESTERLY from the center line of HIGH STREET mea-
sured at a right angle therefrom, thence generally NORTHWESTERLY and
NORTHERLY in a line four hundred seventy-five feet from the center line
of HIGH STREET and parallel thereto to a point in the SOUTHWESTERLY
line of Zone Area B-4 which is five hundred feet SOUTHWESTERLY from
the SOUTHWESTERLY WAY LINE of WASHINGTON STREET measured
at a right angle therefrom; thence NORTHWESTERLY in the SOUTH-
WESTERLY line of Zone Area B-4 to its intersection with the SOUTHEAST-
ERLY WAY LINE of POND STREET; thence SOUTHWESTERLY in the
SOUTHEASTERLY WAY LINE of POND STREET to its intersection with
the NORWELL-ROCKLAND TOWN LINE at the point of beginning".

Requested by the Development and Industrial Commission

ARTICLE 56

To see if the Town will vote to amend ARTICLE XVII of the TOWN BY-LAWS,
entitled: "ZONING BY-LAWS", as follows:

A. By adding a new paragraph B., entitled "*BUSINESS DISTRICT C*" in SEC-
TION VII, A., 2., to read as follows:

"B. *Business District C* — one acre with a frontage of one hundred and
fifty feet (150 feet) or more. No building shall be erected or placed within
seventy-five feet (75 feet) of the center line nor within fifty feet (50 feet)
of the way line of any street."

B. By adding a new paragraph 5 in SECTION VII, B., to read as follows:

"5. *Business District C* — a green belt or buffer strip fifty feet (50 feet) in
width shall be provided along the boundary of any district which is con-
tiguous to a Residential District located in the Town of Norwell. No
buildings, parking areas or above-ground facilities of any nature shall be
constructed, erected or placed upon said buffer zone."

C. Section VI A, entitled "*BUSINESS DISTRICT C*" is amended by adding a new paragraph 5., at the end thereof, to read as follows:

"5. In *Business District C*, no access roads or driveways to or from *Business District C*, shall be constructed through a Residential District unless a special permit therefor has been granted by the Board of Appeals. The Board of Appeals shall not grant a special permit for such an access road or driveway unless it is satisfied that such road or driveway will not create a nuisance by virtue of fire hazard, noise, odor, smoke, vibration or unsightliness in the surrounding Residential Area".

or act on anything relative thereto.

Requested by the Development and Industrial Commission

ARTICLE 57

To see if the Town will vote to amend ARTICLE XIV of the TOWN BY-LAWS, entitled: "*Building Code of Norwell; Section III, 3*", by adding a new *Part E.* to read as follows:

"E. An Application for a Building Permit may not be accepted until the following are attached to the Application:

- (i). a plan showing a sewage system for the proposed structure and use that has been approved by the Board of Health;
- (ii). if Town water is installed in the way which is contiguous to the lot to be built upon, a receipt showing the payment of the required water connection charges and fees;
- (iii). if Town water is not installed in the way which is contiguous to the lot, a certification by a licensed Professional Engineer in the Commonwealth of Massachusetts that there exists, for use by the owners or occupants of the proposed building, a well which is capable of providing a minimum of four gallons per minute of drinking water for said premises, at all seasons of the year,"

or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 58

To see if the Town will vote to amend the ZONING BY-LAWS of the Town of Norwell as previously amended, as follows:

1. By amending Section III, paragraph one to read as follows:

The Town is hereby divided into eight classes of districts:

Residential Districts A, B and C
Business Districts A, B and C
Saltmarsh Conservation District
Garden Apartment District"

2. By adding the following section after Section VI B;
Section VI C
Garden Apartment District

1. No building or structure shall be used or arranged or designed to be used in any part and no change shall be made in the use of land or premises, except for one or more of the following purposes:

- a. All uses that are permitted in a Residential District B and when used for such purposes shall be subject to the minimum lot area requirement of one half acre and related requirements relative to side lines and setbacks.
- b. Garden apartments composed of a group of two or more buildings with four (4) or more dwelling units each with kitchen facilities on a landscaped area with no portion of the buildings above the third story used for dwelling purposes and when used for such purposes shall be subject to a minimum lot area requirement of one (1) acre and the conditions and requirements of this By-Law.

A site plan shall be prepared to accompany each application for a building permit, said plan to show among other things the actual shape and dimension of the lot, all proposed buildings, structures, parking facilities, service areas, landscape features and such other information as may be necessary to determine that the requirements herein are being met. Said site plans must be submitted to the Planning Board and its approval obtained.

3. By amending Section VII by adding the following paragraphs:

A. 5. In the Garden Apartment District — The minimum lot area shall be one acre. The minimum frontage on an access road or drive shall be 125 feet. The lot of land shall have a total area based on a minimum land area requirement of 3,500 square feet for each apartment or family unit to be located on the lot. The maximum coverage of the lot by all buildings and structures shall be not more than twenty-five (25) percent of the total lot area.

B. 5. In the Garden Apartment District — No building shall be less than one hundred (100) feet from an access street or access drive and no building entrance shall be more than two hundred and fifty (250) feet from an off-street parking area.

No portion of any enclosing wall of any building and no portion of any other permissible structure shall be nearer than fifty-one (51) feet to the way line of a public street and in cases where a street exceeds a width of forty (40) feet, nearer than thirty-one (31) feet to the side line of a public street. No building unit shall be less than one hundred (100) feet from any other unit.

C. 1. In the Garden Apartment District — On each lot there shall be provided a permanent off street parking area or areas, indoor and/or outdoor, of sufficient size to allow one and one-quarter parking spaces for each apartment or family unit to be accommodated on the lot.

D. 4. In the Garden Apartment District — The maximum height of buildings shall be three stories or forty (40) feet.

ARTICLE 59

To see if the Town will vote to amend its ZONING BY-LAWS Section III by adding the following after the description of Saltmarsh Conservation District and to amend its zoning map to reflect said change:

"Garden Apartment District"

Starting at a point in the northeasterly way line of Washington Street at *Station 86 plus 18 (the northerly property line of John J. Hart, formerly Pilgrim Motel & Realty Co., Inc.), thence northeasterly S 19 degrees - 57' 24" E, eight hundred twenty four and ninety two hundredths (824.92) feet, thence northeasterly S 88 degrees - 41' - 03" E, three hundred twenty one and twenty four hundredths (321.24) feet, thence southeasterly N 57 degrees - 23' - 26" W, ninety and ninety six hundredths (90.96) feet, thence southeasterly, N 16 degrees - 45' - 19" W, three hundred ten and twenty five hundredths (310.25) feet, thence southwesterly N 22 degrees - 10' - 35" E, seven hundred thirteen and fifty two hundredths (713.52) feet to the northeasterly line of Washington Street six hundred and forty nine hundredths (600.49) feet, to the point of beginning".

And further to amend its Zoning By-Laws, Section III, Business District B-7 to read as follows:

"B, 7. Starting at a point in the northeasterly way line of Washington Street at the southerly property line of John J. Hart, formerly Pilgrim Motel & Realty Co., Inc., thence northeasterly to a point 400 feet northeasterly from the northeasterly way line of Washington Street measured at right angles therefrom, thence southeasterly by a line 400 feet from the northeasterly way line of Washington Street and parallel thereto to a point 400 feet northeasterly from the northeasterly way line of Washington Street at *Station 99 plus 08 (approximate southerly property line now or formerly of Edward F. and Helen M. Farmer as shown on 1959 Assessors Records) measured at a right angle therefrom, thence to the northeasterly way line of Washington Street at *Station 99 plus 08, thence by the northeasterly way line of Washington Street to the point of beginning."

ARTICLE 60

To see if the Town will vote to amend Article XV of the Town By-Laws as follows:

- A. By adding a title for Article XV to read "GENERAL REGULATIONS".
- B. By renumbering the present SECTION 4 to SECTION 5.
- C. By adding a new SECTION 4 to read as follows:

"SECTION 4. No person shall operate, for recreational purposes, a snowmobile, motorcycle, mini-bike, all-terrain vehicle (ATV'S), or any other motor-driven vehicle, on or through the land of another, except on driveways, roadways and easements of record, without first obtaining written permission from the property owner.

All such vehicles must be equipped with an operating exhaust muffler that meets or exceeds the current industry's standards for sound suppression. The operation of such vehicles, except when registered for highway use, shall be limited to the hours from 8 o'clock in the morning to 9 o'clock in the evening, unless a special permit is obtained from the Board of Selectmen.

The operation of such vehicles on Town-owned property is only permitted on those areas designated for such purpose by a vote, a copy of which is filed with the Town Clerk's Office, by the cognizant authority."

or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 61

To see if the Town will vote to authorize and direct the Board of Selectmen to acquire, in fee simple, by purchase or by a taking by eminent domain, a parcel of land containing approximately 5,000 square feet, located on the SOUTHWESTERLY side of PROUTY AVENUE, shown as Lot No. 97 on Page R. 12 of the Assessors' Atlas, on file in the Assessors' Office, bounded and described as follows:

NORTHEASTERLY	by PROUTY AVENUE
SOUTHEASTERLY	by land of the TOWN OF NORWELL
SOUTHWESTERLY	by LOT NO. 108;
NORTHWESTERLY	by LOT NO. 96;

to be used for public playground, athletic and recreational purposes, under the direction of the Recreation Commission, and to appropriate therefor, and all expenses in connection therewith, the sum of \$750.00, or any other sum, and to determine whether the same shall be raised by taxation or provided by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Recreation Commission

ARTICLE 62

To see if the Town will vote to authorize and direct the Board of Selectmen to acquire, in fee simple, by purchase or by a taking by eminent domain, a parcel of land, containing approximately 50 acres, located on the WESTERLY side of PROSPECT STREET and bounded NORTHWESTERLY by the HINGHAM-NORWELL TOWN LINE, shown on a plan entitled: "PLAN OF LAND IN HINGHAM AND NORWELL", dated May 26, 1967, by Loring H. Jacobs, Registered Land Surveyor, a copy of which plan is on file in the Town Clerk's Office, which plan is incorporated herein by reference, with the land to be used for public playground, athletic and recreational purposes under the direction of the Recreation Commission, owned in whole or in part by ROBERT J. and Barbara S. SPENCE, and to appropriate therefor, and all expenses in connection therewith, the sum of \$50,000.00, or any other sum, and to determine whether the same shall be raised by taxation or provided by transfer from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Recreation Commission

ARTICLE 63

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$1,000.00, or any other sum, for the support of Depot, such funds to be administered by the Board of Health.

Requested by 13 Registered Voters

ARTICLE 64

To see if the Town will vote to raise and appropriate, or appropriate from available funds, the sum of \$2,500.00, to be used by the Ecumenical Youth Center to support the programs presently underway in the creative arts, or act on anything relative thereto.

Requested by 16 Registered Voters

ARTICLE 65

To see if the Town will vote to transfer a sum of money from available funds, and authorize the Assessors to use this sum to decrease the 1971 Tax Rate, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 66

To see if the Town will vote to raise and appropriate, or appropriate from available funds, a sum of money to be added to the Stabilization Fund, as provided by General Laws, Chapter 40, Section 5B, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 67

To see if the Town will vote to amend Article XX of the Town By-Laws, entitled: "Norwell Personnel Plan", by amending Sections 4 and 5 to read as follows:

4. COMPENSATION SCHEDULE

"The fundamental objective of the Compensation Schedule is to insure that Town employees are paid in relation to the value of the work they perform. This means that the Town receives a fair return on its salary investments and the individual employee a fair return on his ability and effort. The Compensation Schedule is designed 1. to establish and maintain a consistent plan of value relationships between the position and the respective salary; 2. to see that individuals are paid fairly in relation to the job they perform; 3. to establish, implement and maintain a competitive structure, one that provides growth opportunity for all employees; 4. to establish, implement and maintain salary ranges for all salary grades.

In order to attain the foregoing objectives the Personnel Board shall, on or before September 1, in each year, prepare and submit to the Board of Selectmen a Compensation Schedule for those employees of the Town, including elected and appointed officials, as the Personnel Board deems appropriate, which shall establish a classification and compensation plan for such employees for the following fiscal year.

Upon approval of the Compensation Schedule by the Board of Selectmen, it shall be used in the preparation of all budgets for the following fiscal year.

The Board of Selectmen shall be responsible for sending copies of the Compensation Schedule to all Town Boards, Officers, Committees and Commissions.

Compensation Schedules may be amended by the Personnel Board, with the approval of the Board of Selectmen.

5. USE OF COMPENSATION SCHEDULE

The Compensation Schedule, submitted by the Personnel Board on or before September 1st in each year, and thereafter, approved by the Board of Selectmen, and all amendments thereof, shall govern, on and after the completion of the Annual Town Meeting following its approval, all wages and salaries paid to municipal employees included therein, provided, however, in all instances, appropriate funding is voted by the Town at said Annual Town Meeting or a subsequent Special Town Meeting.”,

or act on anything relative thereto.

M. in the afternoon and there to act upon such of the foregoing articles as shall not have been acted upon on March thirteenth, 1972, or act upon such other articles in said Warrant as the meeting may deem advisable.

You are directed to serve this Warrant by posting a copy thereof, attested to by you in writing, at each of five public places in the Town seven days at least before the time for holding the meeting called for in the Warrant. Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the thirteenth day of March, 1972.

Given under our hands at Norwell this twenty-second day of February in the year of our Lord 1972.

James P. Hall, Chairman
John Petze
BOARD OF SELECTMEN

RECORD OF THE ANNUAL TOWN MEETING, MARCH 13, 1972

Pursuant to the foregoing Warrant, the qualified voters of the Town of Norwell met at the Senior High School on Monday, March 13, 1972, with a quorum of 200 reached shortly after 7 P. M. The Moderator, David Lee Turner, opened the meeting at 7:30 P. M. The total number of voters checked in during the evening was 756.

The Moderator appointed the following tellers and swore them in: John D. Lindsay, Jonathan S. Vincent, Francis F. Chase, Jr., Charles E. Rounds, Jr. and James L. McKenney. George H. Whitcher, Jr. was appointed and sworn as Deputy Moderator for the overflow of voters seated in the gymnasium.

The Moderator led the assembly in the Pledge of Allegiance to the flag, followed by a few moments of silent tribute to our deceased townspeople.

It was voted to admit to the meeting several non-registered people, residents and people who desired to address the meeting.

It was voted to omit the reading of the Warrant until taken up for action, and to file a copy of the Warrant with the record of the meeting. The Town Clerk read the Return of Service by the Constable, Theodore A. Baldwin.

ARTICLE 1

Voted that the Town accept the reports of its officers, boards, departments, committees and commissions, as printed in the 1971 Annual Town Report, except on Page 135 in Article 5, the sum of \$6,270.00 should be changed to \$6,270,000.00.

Mr. Robert Dwyer, of the Capital Budget Committee, addressed the Meeting briefly. Mrs. Mary Jane Petze spoke for the Norwell Housing Authority, stating that Articles 58 and 59 were not connected in any way with the Norwell Housing Authority.

ARTICLE 2

Voted that the Town raise and appropriate the sums of money as indicated in the Recommended Column of the "Transcript of Articles in the Warrant and Budget for 1972" for the Town of Norwell, for the purpose as noted therein, with all appropriations under Article 2, including wages and salaries, to be retroactive to January 1, 1972, for all items in Article 2 excepting items numbered: 4, 9, 28, 35, 37A, 37B, 40, 40A, 41, 42, 43, 43A, 48, 49, 54, 55, 56, 63, 64, 65, 67, 69, 75, 84, 86, 87, 88, 89, 91, 95, 96, 98, 99, 100, 101, 102, 103, 112, 115, 116, 117, 118, 121, 123, 124 and 125, and to consider the excepted items individually.

Item	4. Selectmen's Expense	\$ 7,400.00	Voted
	9. Town Meetings & Elections	4,742.90	Voted
	28. Town Clerk - Clerical Assistance	5,147.20	Voted

124	Water Department, Expenses		39,470.00	Voted
125	Cemeteries, Care of Veterans' Graves		1,024.00	Voted

ARTICLE 3

Voted that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1972, and January 1, 1973, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

ARTICLE 4

Voted that the Town appropriate and transfer \$3,263.72, the 1971 County Dog Tax Refund, to the School Department General Education Expenses Account.

ARTICLE 5

Voted that the Town authorize the Town Accountant to close out the unex-

pending balances in the following accounts, the purposes of which have been completed:

Selectmen —	Lease of voting machines	(Art. 64 - 3/71)	\$ 35.25
Tree Warden —	New dump truck	(Art. 34 - 3/71)	435.12
Highway —	Chapter 616, Acts of 1967, Section 6	(Art. 11 - 3/68)	350.00
School —	Additional Classroom space	(Art. 7 - 6/71)	71.99
Total			\$889.36

ARTICLE 6

Voted unanimously that the Town raise and appropriate \$1,714.05 for the payment of the following unpaid bills:

School Department Instruction:

	Montessori Leermiddlenhuis A. Nienhuis, N.Y.	\$504.40
Water Department Service:	Richard S. Allen	241.96
Emergency Communications Center — Expenses		
	New England Telephone & Telegraph	967.69
Total		\$1,714.05

ARTICLE 7

Voted unanimously that the Town accept the provisions of General Laws, Chapter 39, Section 23, which provides in essence that a town which accepts this section may provide that the election of town officials shall take place any time within seven (7) days before or after the annual town meeting held for the transaction of other business.

ARTICLE 8

Voted that the Town accept the provisions of General Laws, Chapter 44, Section 53C, which provides in essence that in a town which accepts the provisions of this section, all monies received by it in payment for off-duty work details of members of the police department shall be deposited in the treasury, shall be kept in a special fund by the treasurer, apart from any other of its money, funds or other property, and shall be expended without further appropriation at the direction of the chief of police for the purposes of paying its police officers for such off-duty work details.

ARTICLE 9

Voted unanimously that the Town accept the gift in memory of Horace T. Fogg and Faulkner Fogg, of two contiguous parcels of land, containing a total of approximately 40.8 acres, located on the northerly side of Main Street and the westerly side of Central Street for conservation purposes, given to the Town of Norwell by Isabella F. Fogg and Helen T. Fogg, upon the terms and conditions set forth in their deed to the Town of Norwell and for conservation purposes, and direct the Board of Selectmen to send a letter of gratitude and thanks to Isabella F. Fogg and Helen T. Fogg for their gift of land, which preserves a large and beautiful area, near Norwell Center, for enjoyment by both present and future generations of fellow townspeople.

ARTICLE 10

Voted unanimously that the Town accept the gift of the parcel of land situated on the Northerly side of Coolidge Road, containing 1,882 square feet, and described in Article 10 in the Warrant for this meeting.

ARTICLE 11

Voted unanimously that the Town authorize the Board of Selectmen to acquire by purchase or by exchange for a lot or lots within the Washington Street Cemetery, for the enlargement of the Town Cemetery located on Washington Street, the land described in Article 11 in the Warrant for this meeting.

ARTICLE 12

Voted unanimously that the Town authorize the Board of Selectmen to convey the two parcels of Town-owned land shown on a plan entitled, "SKETCH PLAN OF LAND ON SOUTH STREET NORWELL", dated October 1, 1971, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office, which plan is incorporated herein by reference, with the parcel containing 20,397 square feet to be conveyed to the owners of the lot labeled "COLLINS", and with the parcel containing 17,465 square feet to be conveyed to the owners of the lot entitled "BELL", all subject to the approval of the School Committee, SBAB, and the Permanent Building and Maintenance Committee.

ARTICLE 13

Voted, 292 yes, 163 no, that the Town raise and appropriate \$70,000.00, to be expended under the direction of the Permanent Building and Maintenance Committee, to augment funds in the amount of \$6,270,000.00, voted under Article 6 at the Special Town Meeting held December 14, 1970, for the construction of a new, expandable, free standing 1000 pupil Senior High School Building.

ARTICLE 14

Voted unanimously that the Town authorize and direct the Board of Selectmen to execute, acknowledge and deliver and to receive deeds to complete the exchange of land as described in Article 14 in the Warrant for this meeting.

ARTICLE 15

FAILED TO CARRY - by secret ballot in accordance with Town By-Law-283 yes, 240 no - lacking a 2/3 vote "to appropriate \$700,000.00 to be expended under the direction of the Golf Course Committee, for the construction of a municipal golf course, including the construction of buildings and the cost of original equipment and furnishings, to be located on the Stetson Shrine Lane Site and to provide said funds, the Treasurer, with the approval of the Board of Selectmen is authorized to borrow \$700,000.00 under General Laws, Chapter 44, as amended."

ARTICLE 16

Voted that the Town accept Hall Drive and Germaine Road as Town Ways, as laid out by the Selectmen, in accordance with the description and plans presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office without appropriation.

ARTICLE 17

Voted that the Town accept Christopher Road, as a Town Way, as laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office without appropriation.

ARTICLE 18

Voted that the Town accept a portion of Brigantine Circle as a Town Way, as laid out by the Selectmen, in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's Office, without appropriation.

ARTICLE 19

Voted that action on Article 19 be indefinitely postponed.

ARTICLE 20

Voted that the Town raise and appropriate the sum of \$6,000.00 to be expended under the direction of the Highway Surveyor for the purchase of a new four-wheel drive pickup truck complete with snowplow and two-way radio for the Highway Department.

ARTICLE 21

Voted that the Town raise and appropriate the sum of \$7,000.00 to be expended under the direction of the Highway Surveyor, for the purchase of a new truck chassis complete with two-way radio for the Highway Department.

ARTICLE 22

Voted that the Town raise and appropriate the sum of \$40,000.00, to be expended under the direction of the Highway Surveyor, for the resurfacing of sections of River Street, High Street, Winter Street, Circuit Street, Pine Street and Mt. Blue Street.

ARTICLE 23

Voted that the Town raise and appropriate the sum of \$15,000.00 to be expended under the direction of the Highway Surveyor, for the construction, installation, maintenance, filling and operation of a gas tank, fuel tank and pumps at the Highway Department garage, to be used by the Highway Department.

ARTICLE 24

Voted that the Town raise and appropriate the sum of \$15,000.00 in anticipation of reimbursement by the Commonwealth of Massachusetts, for Chapter 497 of the Acts of 1971 Work on the Highways, to be expended under the direction of the Highway Surveyor.

ARTICLE 25

Voted that the Town raise and appropriate the sum of \$20,920.00 in anticipation of partial reimbursement by the Commonwealth of Massachusetts, for Chapter 81 maintenance work on the Highways.

ARTICLE 26

Voted that action on Article 26 be indefinitely postponed.

Voted at 10:55 P. M. that the meeting adjourn to Thursday evening, March 16, 1972 at 7:30 P. M. at the same place.

Nellie G. Tarr
Town Clerk

RECORD OF ADJOURNED ANNUAL TOWN MEETING, MARCH 16, 1972

The third session of the Annual Town Meeting of 1972 was held in the Senior High School on Thursday, March 16, 1972; it was opened at 7:35 P. M. with 559 voters checked in during the meeting.

The Warrant stipulated that the meetings should be held on Monday, Tuesday, Thursday and Friday, but the Moderator announced that since there were two large social events scheduled for Friday, the meeting would reconvene on Monday evening.

ARTICLE 63

It was voted to take Article 63 up for action, out of order.

It was voted that the Town raise and appropriate the sum of \$1,000.00 to be expended under the direction of the Board of Health, for providing cooperative or complementary facilities to out-patient clinics established or to be established in accordance with the provisions of Chapter 19 of the Massachusetts General Laws, in cooperation with the Department of Mental Health and other agencies collaborating with said Department, and for providing payments for services rendered or to be rendered by such public or private agencies.

ARTICLE 15

It was voted, 283 yes, 204 no, to reconsider action on Article 15. Moved, but FAILED TO CARRY, that the Town appropriate \$700,000.00, to be expended under the direction of the Golf Course Committee, for the construction of a municipal golf course, including the construction of buildings and the cost of original equipment and furnishings, to be located on the Stetson Shrine Lane Site and to provide said funds, the Treasurer, with the approval of the Board of Selectmen, is authorized to borrow \$700,000.00 under General Laws, Chapter 44, as amended. By secret ballot, the vote was 312 yes, 232 no — so lacking the necessary 2/3 vote, the vote failed to carry.

ARTICLE 27

It was moved that the Town amend Article X of the Town By-laws, entitled: "Public Ways", by adding a new section to read as follows:

"Section 13. No person, including public officers and employees, shall place or deposit salt or similar contaminating substances in excess of 10 tons per lane mile upon any street, public parking area or road or highway under the jurisdiction of the Town of Norwell, at any season of the year."

Amended: "No person, including public officers and employees, shall place or deposit salt or similar contaminating substances in excess of a moderate and well-controlled amount upon any street, public parking area or road or highway under the jurisdiction of the Town of Norwell, at any season of the year."

The amendment was VOTED; the main motion as amended was VOTED.

ARTICLE 28

Voted that the Town raise and appropriate the sum of \$2,500.00 to be expended under the direction of the Board of Selectmen, for work on the laying out of Town Ways.

ARTICLE 29

Voted that the Town raise and appropriate the sum of \$15,000.00, to be expended under the direction of the Board of Health, for employing a professional engineer to study, report and make specific recommendation on alternative methods for solid waste disposal and new disposal areas within the Town of Norwell.

ARTICLE 30

Voted that action be indefinitely postponed on Article 30.

ARTICLE 31

Voted that the Town raise and appropriate the sum of \$700.00 to be expended under the direction of the Board of Water Commissioners for the purchase of a two-way radio for the use of the newly appointed Water Superintendent.

ARTICLE 32

Voted that the Town raise and appropriate the sum of \$10,000.00 to be added to the Developing Well and Well Fields and Pumping Test Accounts, to be expended under the direction of the Board of Water Commissioners.

ARTICLE 33

Voted unanimously that the Town appropriate the sum of \$30,000.00 to be expended under the direction of the Board of Water Commissioners, for the construction of a pumping station, on the Washington Street Well Site, including original equipment therefor, and for laying and relaying water mains, of not less than six inches but less than sixteen inches in diameter, between the pumping station and the existing main in Washington Street and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$30,000.00 under the General Laws, Chapter 44, as amended.

It was voted to adjourn at 11:05 P. M. to Friday, and to reconvene on Monday, March 20, 1972 at 7:30 P. M. at the same place.

Nellie G. Tarr
Town Clerk

RECORD OF ADJOURNED ANNUAL TOWN MEETING, MARCH 17, 1972

The Moderator, David Lee Turner, opened the Adjourned Annual Town Meeting at 7:30 P. M. at the Senior High School.

The Town Clerk, Mrs. Nellie G. Tarr, reported that there was not a quorum present.

The Moderator entertained a motion by Mr. James P. Hall, Chairman of the Board of Selectmen, to adjourn the meeting to Monday, March 20, at 7:30 P. M. at the same place. This motion was seconded by Selectman John Petze, and voted by those present.

The meeting stood adjourned until Monday evening, March 20.

Attest:
Nellie G. Tarr,
Town Clerk

RECORD OF THE ADJOURNED ANNUAL TOWN MEETING, MARCH 20, 1972

The Moderator opened the meeting at 7:35 P. M. There were 461 voters checked in during the evening. The quorum of 200 was reached at 7:10 P. M.

ARTICLE 34

Voted unanimously that the Town appropriate \$10,000.00 to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains, of not less than six inches but less than sixteen inches in diameter, in Winter Street from the junction of Winter and Cross Streets for a distance of approximately 1200 feet, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$10,000.00 under the General Laws, Chapter 44 as amended.

ARTICLE 35

Voted unanimously that the Town raise and appropriate \$13,400.00 to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains, of not less than six inches but less than sixteen inches in diameter, in Green Street for a distance of approximately 1300 feet.

ARTICLE 36

Voted unanimously that the Town appropriate \$25,000.00 to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in Stetson Shrine Lane for a distance of approximately 3000 feet to a location near the Southeast Expressway for a connection to a main extension from Stetson Road, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$25,000.00 under General Laws, Chapter 44, as amended.

ARTICLE 37

Voted unanimously that the Town appropriate \$12,000.00 to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in First Parish Road from the junction of First Parish Road and Summer Street for a distance of approximately 1300 feet, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$10,000.00 under General Laws, Chapter 44, as amended, and to raise and appropriate the sum of \$2,000.00.

ARTICLE 38

Voted unanimously that the Town appropriate \$20,000.00 to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in the south-easterly section of Mt. Blue Street, from the end of the existing main for a distance of approximately 2200 feet, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen to borrow \$20,000.00, under General Laws, Chapter 44 as amended.

ARTICLE 39

Voted that action on Article 39 be indefinitely postponed.

ARTICLE 40

Voted that the Town raise and appropriate the sum of \$3,600.00 to be expended under the direction of the Tree Warden, for the purchase of a new pick-up truck to replace the one now in use.

ARTICLE 41

Motion: that the Town appropriate the sum of \$58,000.00 to be expended under the direction of the Permanent Building and Maintenance Committee, for the final plans and construction of a building, including the cost of original equipment and furnishings of said building, for use by the Tree and Public Grounds Department and the Board of Health, for equipment storage and maintenance, with said building to be located on Town-owned land, and authorization is hereby given to construct said building on the New Senior High School Site, provided, however, the construction on said site is approved by the School Committee and the School Building Assistance Bureau, and to meet the appropriation the Town raise and appropriate \$8,000.00 and authorize the Treasurer, with the approval of the Selectmen to borrow \$50,000.00 under General Laws, Chapter 44, as amended.

The motion FAILED TO CARRY: 23 yes, 233 no.

ARTICLE 42

Voted that the Town raise and appropriate \$7,000.00 to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a building at the Town Dump, including the cost of original equipment and furnishings of said building, to be used by the Board of Health for equipment storage and maintenance.

ARTICLE 43

Voted that the Town instruct the Moderator to appoint a committee of

five (5) residents of the Town, to be known as the Jacob's Pond Commission, to investigate the condition of Jacob's Pond and the possible methods of reclamation and to report its findings to the Town, and to raise and appropriate the sum of \$250.00, to be expended under the direction of the Commission, for the investigation and report.

ARTICLE 44

Voted unanimously that the Town authorize and direct the Board of Selectmen to acquire a parcel of land in fee simple, by purchase, by a taking by eminent domain or by gift, for purposes of expanding the Fire Station located on Tiffany Road with said land bounded and described as follows:

NORTHERLY	by land now or formerly of Kennedy
EASTERLY	by the Church Hill Cemetery
SOUTHERLY	by land of Visser and by the Tiffany Road Fire Station lot
WESTERLY	by Tiffany Road

and to raise and appropriate therefore, and all expenses in connection therewith, the sum of \$1,000.00.

ARTICLE 45

Voted unanimously that the Town establish, designate and place under the control of the Board of Selectmen the parcel of Town-owned property located on the Westerly Side of South Street, consisting of approximately six (6) acres, shown as a proposed library site on sketch plan entitled: "PLAN OF LAND FOR LIBRARY SITE SOUTH STREET NORWELL", dated January 6, 1972, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's Office, to be used as a site for the construction of a new town library.

ARTICLE 46

Motion: that the Town raise and appropriate \$8,000.00 to be expended under the direction of the Permanent Building and Maintenance Committee, for obtaining preliminary plans and cost estimates for the construction of a town library, including the cost of original equipment and furnishings of said building, with the space and basic planning requirements to be established by the Library Committee.

1st Amendment: "that the Town raise and appropriate \$245,000.00."

2nd Amendment: "to authorize the Treasurer, with the approval of the Selectmen, to borrow \$245,000.00." FAILED TO CARRY.

Amendment: "that the Town raise and appropriate \$15,000.00 and that \$230,000.00 be borrowed by the Treasurer."

Amendment: "that the Town vote to appropriate \$245,000.00, to be expended under the direction of a 5 person committee, appointed by the Building Committee and the Moderator, to work with the Permanent Building and Maintenance Committee, for the construction of a town library, including the cost of original equipment and furnishings of said building, with the space and basic planning requirements to be established by the Library Study Committee." THIS AMENDMENT FAILED TO CARRY.

VOTED: "that the Town raise and appropriate \$8,000.00 to be expended under the direction of the Permanent Building and Maintenance Committee, for obtaining preliminary plans, surveys, engineering lists and cost estimates, and as otherwise needed for the construction of a town library including the cost of original equipment and furnishings of said building, with the space and basic planning requirements to be established by the Library Study Committee."

ARTICLE 47

Article 47 failed unanimously to carry.

ARTICLE 48

Voted to indefinitely postpone action on Article 48.

ARTICLE 49

Voted to indefinitely postpone action on Article 49.

ARTICLE 50

Voted that the Town amend its Zoning By-Laws and so note on its zoning map by changing from "*Residential District A*" to "*Business District C-3*" the parcels of land situated on the Southwesterly side of the Southeast Expressway, described under Article 50 in the Warrant for this meeting. The Planning Board made a verbal report that they had held a Public Hearing on March 6, 1972 on Articles 50 and 54 of this Warrant. The Planning Board voted 4 in favor, and 1 abstained. The vote was 202 yes, 80 no, on Article 50.

It was voted at 12:15 to adjourn to Tuesday, March 21, at 7:30 P. M. at the Senior High School.

Nellie G. Tarr,
Town Clerk

RECORD OF THE ADJOURNED ANNUAL TOWN MEETING, MARCH 21, 1972

The Moderator, David Lee Turner, opened the meeting at 7:30 P. M. A quorum was present prior to the opening. 394 qualified voters were checked in during the evening.

ARTICLE 51

Voted that the Town adopt an Official Map, prepared under the direction of the Planning Board, a copy of which has been filed with the Town Clerk's office and which is incorporated herein by reference and adjust said map to show the streets accepted under Articles 16, 17, and 18 of this meeting.

ARTICLE 52

Voted that the Town discontinue all Town Ways not shown on the official map.

ARTICLE 53

Voted that the Town raise and appropriate \$2,500.00 to be expended un-

der the direction of the Planning Board for the preparation of preliminary plans and cost estimates to establish Flood Plain Zoning.

ARTICLE 54

Voted to place Article 54 on the table.

ARTICLE 55

Voted unanimously that the Town amend Article XVII of the Town by-laws entitled: "*ZONING BY-LAWS*", by amending the description of *BUSINESS DISTRICT C-1*, in Section III to read as set forth in Article 55 in the Warrant for this meeting.

The Planning Board reported that they had held a hearing on February 28, and it was an unanimous vote of the Board to endorse this change. The Advisory Board also supported it.

ARTICLE 56

Voted unanimously that the Town amend Article XVII of the Town By-Laws, entitled: "*Zoning By-Laws*", as follows:

A. By adding a new paragraph B., entitled: "*BUSINESS DISTRICT C*" in Section VII A., 2., to read as follows:

"B. *Business District C* — one acre with a frontage of one hundred and fifty feet (150 feet) or more. No building shall be erected or placed within seventy-five feet (75 feet) of the center line nor within fifty feet (50 feet) of the way line of any street."

B. By adding a new paragraph 5 in Section VII, B. to read as follows:

"5. *Business District C* — a green belt or buffer strip fifty feet (50 feet) in width shall be provided along the boundary of any district which is contiguous to a Residential District located in the Town of Norwell. No buildings, parking areas or above-ground facilities of any nature shall be constructed, erected or placed upon said buffer zone."

C. Section VI A., entitled: "*BUSINESS DISTRICT C*" is amended by adding a new paragraph 5, at the end of thereof, to read as follows:

"5. In *Business District C*, no access roads or driveways to or from *Business District C* shall be constructed through a Residential District unless a special permit therefor has been granted by the Board of Appeals. The Board of Appeals shall not grant a special permit for such an access road or driveway unless it is satisfied that such road or driveway will not create a nuisance by virtue of fire hazard, noise, odor, smoke vibration or unsightliness in the surrounding Residential Area."

The Planning Board gave an oral report, stating that they had held a hearing on February 28, and that a plan had been filed with the Town Clerk. Three members of the Board were in favor. The Advisory Board also reported in favor.

ARTICLE 57

Voted that action on Article 57 be indefinitely postponed.

ARTICLE 58

Article 58 was unanimously defeated.

ARTICLE 59

Voted that action on Article 59 be indefinitely postponed.

ARTICLE 60

Voted that the Town amend Article XV of the Town By-Laws as follows:

A. By adding a title for Article XV to read "*GENERAL REGULATIONS.*"

B. By renumbering the present Section 4 to Section 5.

C. By adding a new Section 4 to read as printed in Article 60 in the Warrant for this meeting.

"SECTION 4. No person shall operate, for recreational purposes, a snowmobile, motorcycle, mini-bike, all-terrain vehicle (ATV'S), or any other motor-driven vehicle, on or through the land of another, except on driveways, roadways and easements of record, without first obtaining written permission from the property owner.

All such vehicles must be equipped with an operating exhaust muffler that meets or exceeds the current industry's standards for sound suppression. The operation of such vehicles, except when registered for highway use shall be limited to the hours from 8 o'clock in the morning to 9 o'clock in the evening, unless a special permit is obtained from the Board of Selectmen.

The operation of such vehicles on Town-owned property is only permitted on those areas designated for such purposes by a vote, a copy of which is filed with the Town Clerk's office, by the cognizant authority."

ARTICLE 61

Voted unanimously that the Town authorize and direct the Board of Selectmen, to acquire, in fee simple, by purchase or by a taking by eminent domain, a parcel of land containing approximately 5,000 square feet, located on the Southwesterly side of Prouty Avenue, shown as Lot No. 97 on Page R. 12 of the Assessors' Atlas, on file in the Assessors' office, bounded and described as follows:

Northeasterly	by Prouty Avenue;
Southeasterly	by land of the Town of Norwell;
Southwesterly	by Lot No. 108
Northwesterly	by Lot No. 96;

to be used for public playground, athletic and recreational purposes, under the direction of the Recreation Commission, and to raise and appropriate therefor, and all expenses in connection therewith, \$625.00.

ARTICLE 62

Article 62 failed to carry.

ARTICLE 63

(Taken up out of order at the March 16 adjourned Annual Town Meeting.)

ARTICLE 64

Voted that the Town raise and appropriate \$500.00 to be expended under the direction of the Recreation Commission, to be used to assist the Ecumenical Youth Center and to support programs presently underway in the creative arts.

ARTICLE 65

Voted that action on Article 65 be indefinitely postponed.

ARTICLE 66

Voted that action on Article 66 be indefinitely postponed.

ARTICLE 67

Voted to amend Article XX of the Town By-Laws, entitled: "*Norwell Personnel Plan*", by amending Sections 4 and 5 to read as follows:

4. COMPENSATION SCHEDULE

"The fundamental objective of the Compensation Schedule is to insure that Town employees are paid in relation to the value of the work they perform. This means that the Town receives a fair return on its salary investments and the individual employee a fair return on his ability and effort. The Compensation Schedule is designed 1. to establish and maintain a consistent plan of value relationships between the position and the respective salary; 2. to see that individuals are paid fairly in relation to the job they perform; 3. to establish, implement and maintain a competitive structure, one that provides growth opportunity for all employees; 4. to establish, implement and maintain salary ranges for all salary grades."

"In order to attain the foregoing objectives the Personnel Board shall, on or before September 1, in each year, prepare and submit to the Board of Selectmen a Compensation Schedule for those employees of the Town, including elected and appointed officials, as the Personnel Board deems appropriate, which shall establish a classification and compensation plan for such employees for the following fiscal year."

"Upon approval of the Compensation Schedule by the Board of Selectmen, it shall be used in the preparation of all budgets for the following fiscal year."

"The Board of Selectmen shall be responsible for sending copies of the Compensation Schedule to all Town Boards, Officers, Committees and Commissions."

"Compensation Schedule may be amended by the Personnel Board, with the approval of the Board of Selectmen."

5. USE OF COMPENSATION SCHEDULE

The Compensation Schedule, submitted by the Personnel Board on or before September 1st, in each year, and thereafter, approved by the Board of Selectmen, and all amendments thereof, shall govern, on and after the completion of the Annual Town Meeting following its approval, all wages and salaries paid to municipal employees included therein, provided, however, in all instances, appropriate funding is voted by the Town at said Annual Town Meeting or subsequent Special Town Meeting."

ARTICLE 68

Motion made, but FAILED TO CARRY, that the Town instruct the Board of Selectmen and the Permanent Building and Maintenance Committee of Norwell to investigate and develop proposals before the next Annual Town Meeting, of a new Town Office Building, on a site other than the present Town Hall.

Voted: "Resolved, that the Board of Selectmen are instructed to direct the Recreation Commission and all other appropriate Boards and Committees, to develop plans for the use of the Stetson Meadows site as a comprehensive recreation facility; and to make recommendations for the implementation of these plans in such a way as to insure that the recreational priorities of the Town may be met, and that revenue may be generated as quickly as possible for the continued expansion of the facility; and to report to the Town with these recommendations and any requests for appropriations at the March, 1973 Town Meeting, or at any earlier Special Town Meeting, should they deem it advisable."

Voted: "to urge all people in the role of negotiating salaries to consider the town in the light of an insurance carrier for income maintenance for all sick leave, and in no way to consider sick leave as pertaining to retirement benefits."

Voted: "to instruct the Board of Selectmen to appoint a committee to study the effects of Road Salt on the environment, with special emphasis upon the long term effects upon the Town's water supply, and that the results of this study be made available before the next annual Town Meeting."

Voted: "to instruct the Planning Board to study the matter of apartment zoning and other new zoning concepts as they apply to this town."

The Moderator conducted the auction of the Fish Rights. Mr. Wayland Bailey purchased Fish Right #1 for \$5.00. Mr. Ronald Gerard, Green St., purchased Fish Right #2 for \$11.00.

The business of the Warrant having been completed, it was voted to dissolve the meeting at 10:26 P. M.

AUTHORIZED BORROWING

ARTICLE 33

Voted unanimously that the Town appropriate the sum of \$30,000.00 to be expended under the direction of the Board of Water Commissioners, for the construction of a pumping station, on the Washington Street Well Site, including original equipment therefor, and for laying and relaying water mains, of not less than six inches but less than sixteen inches in diameter, between the pumping station and the existing main in Washington Street and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$30,000.00 under the General Laws, Chapter 44, as amended.

ARTICLE 34

Voted unanimously that the Town appropriate \$10,000.00 to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains, of not less than six inches, but less than sixteen inches in diameter, in Winter Street from the junction of Winter and Cross Streets for a distance of approximately 1200 feet and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$10,000.00. under General Laws, Chapter 44, as amended.

ARTICLE 36

Voted unanimously that the Town appropriate \$25,000.00, to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in Stetson Shrine Lane from the junction of River Street and Stetson Shrine Lane

for a distance of approximately 3000 feet to a location near the Southeast Expressway for a connection to a main extension from Stetson Road, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$25,000.00, under General Laws, Chapter 44, as amended.

ARTICLE 37

Voted unanimously that the Town appropriate \$12,000.00 to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in First Parish Road from the junction of First Parish Road and Summer Street for a distance of approximately 1300 feet, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$10,000.00, under General Laws, Chapter 44, as amended, and to raise and appropriate the sum of \$2,000.00.

ARTICLE 38

Voted unanimously that the Town appropriate \$20,000.00, to be expended under the direction of the Board of Water Commissioners, for the laying and relaying of water mains of not less than six inches but less than sixteen inches in diameter, in the south-easterly section of Mt. Blue Street, from the end of the existing main for a distance of approximately 3200 feet, and to meet the appropriation the Town authorize the Treasurer, with the approval of the Board of Selectmen to borrow \$20,000.00, under General Laws, Chapter 44, as amended.

TOTAL AUTHORIZED BORROWING \$95,000.00

I hereby certify that the amounts herein contained were voted to be raised and appropriated, or appropriated and transferred, and authorized borrowing — all were voted at the Annual and Adjourned Annual Town Meetings, held March 13, 14, 16, 20 and 21, 1972.

Nellie G. Tarr

Town Clerk, Norwell, Mass.

RECORD OF THE ANNUAL TOWN ELECTION — March 18, 1972

Pursuant to the foregoing Warrant, the qualified voters of the Town of Norwell met on Saturday, March 18, 1972 at the Sparrell Junior High School, 322 Main Street, Norwell, to cast their votes for the elected officers of the Town.

The polls were declared open at 12 Noon by the Warden. The Automatic Voting Machines were used for the first time in the Town of Norwell.

The Town Clerk swore in the following election workers: Wayland S. Bailey, Pauline A. Wilson, Jean Lantz, Barbara Schow, Carol Esterberg, Eleanore Gay, Betty L. Long, Yolanda Ryan, Barbara Meacham, Jessie Bailey, Shirley White, Eleanore MacLeod, Ann J. Valair, Norma L. Sletner, Martha Fuller, John A. Lindsay, Peirce Fuller, Katherine R. Fuller, Julia F. Rosebach, Ann Golemme,

Wilder A. Gaudette, Warden; Mary McBrine, Clerk. Authorized Voting Machine Technicians on duty: Richard Joseph, David Nichols, William G. Tarr; and Richard Olson of the Automatic Voting Machine Company from Jamestown, New York.

At 8:00 P. M., the Warden declared the polls closed. The 32 absentee ballots were then checked on the voting lists, and put through the ballot box.

The Printomatic sheets were removed from each voting machine and given to the tally clerks. The write-in sheets were removed from each voting machine and the two clerks designated to tally them, reported 542 stickers attached (or written-in) for Elizabeth B. Wales, River Street, for member of the School Committee.

The Warden announced the following results:

Yes	761
No	512
Blanks	547

The law specifies that the highest vote cast for the Housing Authority shall serve a 5-year term; the next highest shall serve a 4-year term; the third highest shall serve a 2-year term; and the lowest, a 1-year term. Therefore, Loring H. Jacobs was elected to a five-year term; Richard H. Mills, Jr., to a four-year term; Dorothy Dickson to a two-year term; and Mary Jane Petze to a one-year term.

There were 1820 votes cast, including 32 absentees.

The results of the election were announced by the Warden.

Nellie G. Tarr,
Town Clerk

THE COMMONWEALTH OF MASSACHUSETTS WARRANT FOR PRESIDENTIAL PRIMARY

Plymouth, ss

GREETINGS:

RECORD OF THE PRESIDENTIAL PRIMARY, APRIL 25, 1972

Pursuant to the foregoing Warrant, the eligible voters met at the Sparrell Junior High School on Main Street, to cast their votes.

The Town Clerk swore in the following election workers at 9:30 A.M.:
Mary McBrine, Clerk, Ann Golemme, Peirce Fuller, Mildred Carr, Martha Fuller, Jessie Bailey, Carmella Molla, Julia Rosebach, Monica Cavanagh and Eleanor Gay.

The Warden, Wilder A. Gaudette, declared the polls open at 10 A.M. Since the Democratic ballot was too large to fit on the Voting Machines, the Primary vote was cast entirely on paper ballots.

Voting proceeded during the day until 8 P. M., when the Warden declared the polls closed.

The tallying was conducted in open meeting.

Republican ballots received	2088	
Republican ballots used	294	
Republican ballots unused	1794	
Democratic ballots received	1624	
Democratic ballot torn	1	1625
Democratic ballots used	670	
Democratic ballots unused	954	
Democratic ballot torn	1	

The Town Clerk swore in the following tellers:

Ann Valair, Mildred Carr, Ann Golemme, Yolanda Ryan, Sara Bestgen, Katherine Cranton, Barbara Meacham, Barbara Schow, Joanne DeFreitos, Ida Drew, Jean Perry, Jacqueline Kiley, Mary Duarte, Daniel Lincoln, Louise Edmonds, Barbara McKay, Carol Esterberg, Pauline Wilson, Claire Foulsham, Beatrice Griffiths, Eleanore MacLeod, Mary Gunn, Velma Worrall, Peter Sletner, James Litchfield, Julia Rosebach, Barbara Snow, Eleanor Pettine, Lois Phelps, Hope Thomson, Elinore Smith, Eva Strachan, Sally Turner, Doris Woods, Elizabeth Adell, Betty Long, Ruth Shaw, Susanne Tuttle, Susan Poole, Beverly Robbins, Norma Sletner, Carmella Molla, Alma McKnight, Emma Oronte, Charlotte Knowles, Phyllis Lindsay, Vivian Walsh, Shirley Kerwin, Martha Fuller, Jane Richardson, Patricia Leonard, Jean Lantz, Hilma Forslund.

The Republican ballots were tallied first, and the tally by blocks was completed about 10:30 P. M. The tally by blocks of the Democratic ballots was completed about 1:30 A. M. The total tally proceeded as soon as the first block tallies were turned in, and the Republican tally was completed early and the tally for the Democratic blocks proceeded until 2:30 A. M. At that point, the material was locked up and returned to the vault in the Town Hall.

On Wednesday, April 26, the tally was resumed with 4 tally clerks working. It was not possible to arrange to use the Town Hall during the day for the tallying, so it was necessary to start in the evening, about 7:30 P. M. The Warden, Wilder A. Gaudette, Constable Theodore A. Baldwin, Town Clerk Nellie G. Tarr, and the tally clerks Mary McBrine, Ann Valair, Mildred Carr and Ann Golemme, were present at the tally session, which continued until 1:30 A. M. on April 27.

On April 27, Ann Golemme, Mary McBrine and Wilder Gaudette took up the tallying session at 9:30 A.M. The Town Clerk supplied them with the necessary material which had been locked in the vault. This session continued until 5 P. M. At 7:30 P. M., it was resumed once more and was finally concluded at 1:30 A. M. on April 28.

679 Democratic votes were cast as follows:

WARRANT FOR SPECIAL TOWN MEETING, Wednesday, October 25, 1972

At Seven-thirty O'clock in the Afternoon At the Senior High School

Plymouth, s.s.

To one of the constables of the Town of Norwell, in said County of Plymouth and Commonwealth of Massachusetts,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Norwell, qualified to vote in elections and Town affairs, to meet at the Senior High School in said Norwell, on Wednesday the twenty-fifth day of October, 1972 at 7:30 P. M., then and there to act upon the following articles, to wit:

ARTICLE 1

To see if the Town will vote to appropriate a sum of money, to be expended un-

der the direction of the Permanent Building and Maintenance Committee, for the construction of a new Town Library, including the cost of original equipment and furnishings, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Permanent Building and Maintenance Committee
and the Library Study Committee

ARTICLE 2

To see if the Town will vote to appropriate a sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, to be added to the construction authorization voted at this Meeting for a new Town Library, including the cost of original equipment and furnishings, for the expansion of said library project to include a program room, and to determine whether the appropriation shall be provided by borrowing, by transfer from available funds or by any combination of the foregoing or act on anything relative thereto.

Requested by the Permanent Building and Maintenance Committee
and the Library Study Committee

ARTICLE 3

To see if the Town will appropriate from available funds a sum of money to provide a water line and a fire hydrant adjacent to the proposed library, or act on anything relative thereto.

Requested by the Permanent Building and Maintenance Committee

ARTICLE 4

To see if the Town will vote to amend Article V, entitled "Elected Town Officers" of the Town By-Laws by deleting the provision entitled "Trustees of William J. Leonard Memorial Library", including Section 1 and Section 2, and by inserting in place thereof the following:

"TRUSTEES OF NORWELL PUBLIC LIBRARY"

SECTION 1. There shall be six trustees of the Norwell Public Library, with two elected each year for a term of three years. The first Board of Trustees shall be constituted as follows: The two members of the present Board of Trustees of the William J. Leonard Memorial Library whose terms expire in 1974 and 1975 shall be members of the Board of Trustees for the Norwell Public Library and shall continue as such Trustees until the expiration of their present terms in 1974 and 1975; four other members shall be elected at the 1973 Annual Town Election, with one to serve for a one year term, one to serve for a two year term and two to serve for a three year term. Thereafter as terms expire trustees shall be elected for a term of three years,

SECTION 2. All public library facilities in the Town of Norwell, including the William J. Leonard Memorial Library, shall be under the supervision and control of the Trustees of the Norwell Public Library, The Trustees shall annually choose a chairman and a secretary. The Town Treasurer shall act as treasurer of the Board of Trustees.

SECTION 3. The Trustees of the Norwell Public Library may adopt such rules and

regulations governing the use of the Public library facilities as they may deem advisable. A copy of such rules and regulations and all amendments and revisions thereof shall be filed with the Town Clerk before they become effective", or act on anything relative thereto.

Requested by the Library Study Committee

ARTICLE 5

To see if the Town will vote to appropriate from available funds a sum of money to be expended under the direction of the Permanent Building and Maintenance Committee, for the preparation of preliminary sketches and cost estimates for the conversion of the Sparrell Junior High to an elementary school, or act on anything relative thereto.

Requested by the Permanent Building and Maintenance Committee

ARTICLE 6

To see if the Town will vote to accept General Laws, Chapter 40, Section 8D and thereby establish a Historical Commission for the Town of Norwell for the purposes and with the rights and duties provided by law, to be composed of five members appointed by the Board of Selectmen, for terms of three years, except that initial appointments shall be: Two members for one year, two members for two years and one member for three years, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 7

To see if the Town will vote to appropriate from available funds \$25,000.00, or any other sum, to be expended under the direction of the Board of Health, for the operation of the Town Dump, or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 8

To see if the Town will vote to appropriate from available funds, \$1,000.00 or any other sum, to be expended under the direction of the Permanent Drainage Committee, to install drainage facilities in the Christopher Road area, or act on anything relative thereto.

Requested by the Permanent Drainage Committee

ARTICLE 9

To see if the Town will vote to appropriate from available funds a sum of money for the reconstruction of the intersection of Old Oaken Bucket Road, Central Street and Norwell Avenue, with said funds to be expended under the direction of the Board of Selectmen, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 10

To see if the Town will vote to authorize the Board of Selectmen to arrange for the demolition of Buildings "B" and "C" located on the Town-owned property

known as Stetson Meadows, and to appropriate from available funds \$500.00, or any other sum, to be expended under the direction of the Board of Selectmen for such purpose, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 11

To see if the Town will vote to appropriate from available funds \$150.00, or any other sum to be expended under the direction of the Board of Selectmen, for the purchase of a Memorial Plaque to be placed upon the standpipe on Paradise Drive, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 12

To see if the Town will vote to authorize and direct the Board of Selectmen to acquire by purchase, by gift or by a taking by eminent domain, a drainage easement, including the right to install headwalls, drainage ditches and culverts and the right to enlarge and alter the flow of an existing stream over, across and through the land located on the WESTERLY side of CENTRAL STREET, owned in whole or in part by MARGARET E. GILBERT, shown on a plan entitled: "PLAN OF LAND ON CENTRAL STREET NORWELL", dated August 2, 1972, by Loring H. Jacobs and Associates, Inc., a copy of which is on file in the Town Clerk's office, which plan is incorporated herein by reference and to appropriate therefor and all expenses in connection therewith, a sum of money, and to determine whether the same shall be provided by transfer from available funds, by borrowing, or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 13

To see if the Town will vote to authorize and direct the Board of Selectmen to sell and convey a portion of a parcel of Town-owned land, known as "RAYMOND MEADOW", situated to the EAST OF CENTRAL STREET to George A. Beach and Catherine Beach, for the sum of \$500.00 upon such terms and conditions as the Selectmen deem necessary or desirable, with said land bounded as follows:

SOUTHWESTERLY	by land of George A. Beach and Catherine Beach;
SOUTHEASTERLY	by Lot 32, as shown on Sheet 15A of the Assessors' Atlas;
NORTHEASTERLY	by the remaining portion of Raymond Meadow, and;
NORTHWESTERLY	by Lot 42, as shown on Sheet 15A of the Assessors' Atlas,

or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 14

To see if the Town will vote to appropriate from available funds a sum of money, to be added to the Washington Street Cemetery Salaries and Expenses account, or act on anything relative thereto.

Requested by the Washington Street Cemetery Committee

ARTICLE 15

To see if the Town will vote to appropriate from available funds a sum of money, to be expended under the direction of the Treasurer-Collector, for the purchase or lease of billing and accounting equipment, or act on anything relative thereto.

Requested by the Treasurer — Collector

ARTICLE 16

To see if the Town will vote to authorize and direct the Board of Selectmen to convey to the Town of Hanover, for Conservation purposes, to be under the management and control of the Hanover Conservation Commission, a parcel of Town-owned land, containing 8.51 acres more or less, situated in the Town of Hanover and bounded:

NORTHERLY	By the Norwell Town Line;
WESTERLY	By land of Bay State Co., Inc. and land of the Town of Hanover
SOUTHERLY	By land of the Town of Hanover
EASTERLY	By land of Crommett and land of Crifino
NORTHEASTERLY	By Pilgrim Highway

shown on a plan entitled "COMPILED PLAN OF LAND IN HANOVER, MASSACHUSETTS PREPARED FOR THE TOWN OF HANOVER"; dated April 5, 1972 by Perkins Engineering, Inc., a copy of which plan is on file in the Town Clerk's Office, which plan is incorporated herein by reference, with such conveyance to be upon those conditions the Board of Selectmen deems necessary or desirable, but to include a requirement that the land will revert to the Town of Norwell in the event the Town of Hanover ceases to use or hold said property for conservation purposes, or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 17

To see if the Town will vote to authorize and direct the Board of Selectmen to acquire, in fee simple, by purchase or by a taking by eminent domain, for use as a storage and maintenance facility for the Tree and Public Grounds Department, the land located on the WESTERLY side of SOUTH STREET, containing approximately 1.60 acres, shown on a plan entitled: "PLAN OF LAND IN NORWELL HENRICH DEV. TRUST — OWNER M. T. SHAW — HALIFAX — R. L. S. 19 April, 1966", recorded with Plymouth County Registry of Deeds, a copy of which is on file in the Town Clerk's Office, with said parcel being bounded and described according to said plan as follows:

EASTERLY	By SOUTH STREET, 40 feet,
SOUTHERLY	By land now or formerly of WATT, 220 feet,
EASTERLY	By land now or formerly of WATT, 200 feet,
SOUTHERLY	By land now or formerly of CRANTON, 178.50 feet,
SOUTHWESTERLY	By land of said CRANTON, 133.85 feet,
NORTHWESTERLY	By land now or formerly of NUCCI, 199.90 feet,
NORTHERLY	By land now or formerly of NUCCI & BELL, 438.43 feet,

and to appropriate therefore, and all expenses in connection therewith, \$4,500.00, or any other sum, and to determine whether the same shall be provided by transfer

from available funds, by borrowing or by any combination of the foregoing, or act on anything relative thereto.

Requested by the Tree and Public Grounds Garage Site Committee

ARTICLE 18

To see if the Town will appropriate from available funds, a sum of money, to be expended under the direction of the Permanent Building and Maintenance Committee, for preliminary plans and cost estimates for the construction of a building, for use by the Tree and Public Grounds Department for equipment storage and maintenance, or act on anything relative thereto.

Requested by the Tree and Public Grounds Garage Site Committee

ARTICLE 19

To see if the Town will vote to amend SECTION XI of the Zoning By-Laws by deleting the provisions thereof and substituting in place thereof the following:

"This Zoning By-Law may be from time to time changed by amendment, addition or repeal, but only in the manner set forth in General Laws Chapter 40A", or act on anything relative thereto.

Requested by the Board of Selectmen

ARTICLE 20

To see if the Town will vote to amend the Zoning By-Laws as follows:

1. By striking out paragraphs "B" and "D" in SECTION V, entitled: "*Business District A*", and by inserting in place thereof the following:

"B. Stores, salesrooms or showrooms for the conduct of a retail business; personal service shops of a barber, hairdresser, manicurist or shoe shiner; shops for custom work by a dressmaker, furrier, interior decorator, milliner or tailor; shops for custom work by a cabinet maker, job printer, repairer of household appliances or furnishings, shoemaker, upholsterer or woodworker, provided that all work and repair operations shall be conducted between the hours of 6:00 A. M. and 9:00 P. M. unless a Special Permit is granted for operations during specified additional hours by the Board of Appeals; business or professional offices or agencies, banks or other financial institutions; restaurants or other eating places serving food only to persons seated at tables or counters, if no mechanical or live entertainment is regularly furnished; medical centers, hospitals and nursing homes."

"D. Such similar uses as the Board of Appeals may approve and grant Special Permits therefor. In considering whether or not to grant a Special Permit under this Section of the Zoning By-Laws, the Board of Appeals shall not grant a Special Permit unless all of the following conditions are satisfied:

1. the conduct of the proposed use will not be detrimental to the neighborhood and zoning district,
2. the conduct of the proposed use will not significantly alter the character of the zoning district, and
3. the conduct of the proposed use will not be injurious, noxious or offen-

sive to the neighborhood by reason of the emission of odors, fumes, dust, smoke, noise or other cause, nor hazardous to the community on account of fire, explosion or other cause."

2. By striking out paragraphs "B" and "D" in SECTION VI, entitled: "*Business District B*", and by inserting in place thereof the following:

"B. Light manufacturing; research laboratories; wholesale sales and inside storage facilities; provided, however, the uses set forth in this part "B" require a Special Permit from the Board of Appeals."

"D. Such similar uses as the Board of Appeals may approve and grant Special Permits therefor. In considering whether or not to grant a Special Permit under this Section of the Zoning By-Laws, the Board of Appeals shall not grant a Special Permit unless all of the following conditions are satisfied:

1. the conduct of the proposed use will not be detrimental to the neighborhood and zoning district,
2. the conduct of the proposed use will not significantly alter the character of the zoning district, and
3. the conduct of the proposed use will not be injurious, noxious or offensive to the neighborhood by reason of the emission of odors, fumes, dust, smoke, noise or other cause, nor hazardous to the community on account of fire, explosion or other cause."

3. By striking out paragraph "3" in SECTION VIA, entitled: "*Business District C*", and by inserting in place thereof the following:

"3. The uses set forth in paragraph 2, above require a Special Permit therefor issued by the Board of Appeals. In considering whether or not to grant a Special Permit under this Section of the Zoning By-Laws, the Board of Appeals shall not grant a Special Permit unless all of the following conditions are satisfied:

1. the conduct of the proposed use shall not be detrimental to the neighborhood and zoning district.
2. the conduct of the proposed use will not significantly alter the character of the zoning district, and
3. the conduct of the proposed use will not be injurious, noxious, or offensive to the neighborhood by reason of the emission of odors, fumes, dust, smoke, noise or other cause, nor hazardous to the community on account of fire, explosion or other causes.

All structures for business uses shall be at least 300 feet distance from existing residences located in a residential district, and shall be adequately screened therefrom by trees and shrubs."

or act on anything relative thereto.

Requested by the Planning Board

ARTICLE 21

To see if the Town will vote to amend SECTION VII of the Zoning By-Laws by adding a new paragraph numbered 5. in part A., to read as follows:

- "5. No part or portion of any lot which is swampland, wet land or marsh land shall be used in determining minimum lot size, as required herein."

or act on anything relative thereto.

Requested by the Board of Health

ARTICLE 22

To see if the Town will vote to amend the Zoning By-law by redesignating Subsections B, C and D of Section VII to be Subsections C, D and E and by striking Subsection A of Section VII and substituting the following:

A. Definition. In construing this Section VII the following words shall have the following meanings unless a contrary intention clearly appears:

1. "*Frontage*" — Frontage on a way as defined herein.
2. "*Setback line*" — A line 75 feet from the center line of 50 feet from the way line of a way and parallel thereto.
3. "*Way*" — (a) A public way or a way which the Town Clerk certifies is maintained and used as a public way, or (b) a way shown on a plan theretofore approved and endorsed by the Planning Board in accordance with the Subdivision Control Law, or (c) a way in Existence on February 9, 1953 having, in the opinion of the Planning Board, sufficient width, suitable grades and adequate construction to provide for the needs of vehicular traffic in relation to the proposed use of the land abutting thereon or served thereby, and for the installation of municipal services to serve such land and the buildings erected or to be erected thereon.

B. Lot Sizes

1. The minimum size lot on which a structure may be erected, placed or altered for any purpose shall be as follows:
 - a. *Residential District A* — one acre with not less than 150 feet frontage at the setback line and not less than 80 feet frontage at the way line.
 - b. *Residential District B* — one acre with not less than 150 feet frontage at the setback line and not less than 80 feet frontage at the way line.
 - c. *Business Districts A, B and C*, — one acre with not less than 150 feet frontage at the setback line and not less than 80 feet frontage at the way line.
2. No lot on which a structure is located may be reduced in size if such reduction would result in the size of the lot being less than the minimum lot size specified in Subsection I hereof, except in the case of a lot a portion of which is taken for public use.

Requested by the Planning Board

ARTICLE 23

To see if the Town will vote to amend the Zoning By-Laws by deleting from Sec. III thereof the definition of Residential District C and by amending the definition of Residential District B to read as follows:

"Residential District B shall include all the land except Business District B and Business District C west of a line starting at the Norwell-Hanover Town Line

marker on Main Street at Jacobs Lake and running northerly to a point on Grove Street, 1,000 feet west of the westerly way line of Prospect Street, thence running northerly to a point on the Norwell-Hingham town line 1,000 feet west of the westerly way line of Prospect Street."

Requested by the Planning Board

ARTICLE 24

To see if the Town will vote to amend the Zoning By-Laws by adding to Section VII thereof the following subsection:

"E. SITE PLAN APPROVAL

No structure shall hereafter be erected or externally enlarged on any lot in any non-residential district (meaning thereby all districts under the Zoning By-Law except Residential Districts A, B and C) and no use shall hereafter be established or expanded in ground area on any lot in any such district except in conformity with a site plan of such lot and plans of structures proposed to be constructed on such lot bearing endorsements of approval by the Board of Appeals. Said site and structural plans shall show among other things, all existing and proposed buildings and structures (showing front, side and rear elevations, and layout), signs, parking spaces, driveway openings, driveways, service areas, and open uses, all facilities for sewage, refuse and other waste disposal, and for surface water drainage, and all landscape and screening features (such as fences, walls, planting areas and walks) on the lot.

Any person desiring approval of site and structural plans under this paragraph shall submit said plans to the Board of Appeals who shall thereafter transmit them to the Planning Board for a report and recommendations thereon, and no building permit shall be issued until the Board of Appeals shall have approved the plans or have allowed sixty days to elapse after receiving the report and recommendations of the Planning Board. The Board of Appeals shall have the power to modify or amend its approval of site and structural plans on application of the person owning or leasing the premises shown on such site and/or structural plans in the event of changes in the physical condition of the site and/or structure sufficient to justify such action within the intent of this subsection; and the foregoing provisions wherever apt shall be applicable to any modification or amendment of such plans. In considering site and structural plans under this subsection, the Board of Appeals shall assure, to a degree consistent with a reasonable use of the site for the purposes permitted by the regulations for the district in which it is located, such factors as the following:

1. The protection of the district in which the site is located and adjoining districts against detrimental, offensive and incompatible uses or structures on the site;
2. The convenience and safety of vehicular and pedestrian movement within the site and in relation to adjacent streets and land; and
3. The adequacy of the methods of disposal for sewage, refuse and other wastes resulting from the uses permitted on the site, and the methods of drainage for surface water from its parking spaces and driveways.

Within fifteen days after the approval of said site and/or structural plan a copy thereof bearing the approval of the Board of Appeals shall be filed in the office

of the Town Clerk; and the plans as approved shall be carried into effect and completed by the applicant for such site and/or structural plan approval within one year of the date of approval. The Board of Appeals may at the time of approval of any site and/or structural plan, or thereafter, upon application therefor, grant such extension of the time as it shall deem necessary to carry any site and/or structural plan into effect; and the Board of Appeals shall certify to the Town Clerk that it has granted an extension of time and the date of which it shall expire.

ARTICLE 25

To see if the Town will vote to amend the Zoning By-Laws by amending the description of Business District B-2 in Section III, by extending Business District B-2, at its present depth, along Washington Street in a Northwesterly direction to Oak Street, or act on anything relative thereto.

Requested by 121 Registered Voters

ARTICLE 26

To see if the Town will vote to accept the provisions of General Laws Chapter 48, Section 42, which provides, in essence, for the establishment of a fire department to be under the control of an officer, to be known as the Chief of the fire department, or act on anything relative thereto.

Requested by the Board of Fire Engineers

ARTICLE 27

To see if the Town will vote, authorize and direct the Board of Selectmen to transfer a parcel of land containing approximately 5,000 square feet of land owned by the Town of Norwell to the Recreation Commission, located on the SOUTH-WESTERLY SIDE OF DORIS AVENUE, shown as LOT NO. 108 on PAGE 12D of the ASSESSORS' ATLAS, on file in the Assessors' Office, bounded and described as follows:

Southwesterly	by Doris Avenue
North	by land of the Town of Norwell
Westerly	by Lot No. 109
Easterly	by Lot No. 107

to be used for public playground, athletic and recreational purposes, under the direction of the Recreation Commission.

Requested by the Recreation Commission

ARTICLE 28

To see if the Town will vote to appropriate from available funds \$1,500.00 or any other sum, to be expended under the direction of the Superintendent of Public Grounds and the Recreation Commission, for the installation of a drainage area for the Middle Little League Field which is part of the three existing Norwell Little League Fields on Main Street, or act on anything relative thereto.

Requested by the Recreation Commission

You are directed to serve this Warrant by posting a copy thereof, attested to by you in writing at each of five public places in the Town, seven days at least before the time for holding the meeting called for in the Warrant.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the twenty-fifth day of October, 1972.

Given under our hands at Norwell this tenth day of October, in the Year of Our Lord, 1972.

James P. Hall, *Chairman*
John Petze
Richard A. Leahy
Board of Selectmen

Constable:

RECORD OF THE SPECIAL TOWN MEETING – OCTOBER 25, 1972

Pursuant to the foregoing Warrant, the qualified voters of the Town of Norwell met at the Senior High School on Wednesday, October 25, 1972, with a total of 458 voters checked in. The meeting was opened by the Moderator, David Lee Turner at 7:30 P. M.

The Town Clerk read the Return of Service of the Warrant of the Constable, Harland W. Farrar.

The Moderator appointed and swore the following as tellers for the meeting: Jean Garside, George H. Whitcher, Jr., Robert Esterberg, John Lindsay, Orville Devine and Joseph Paradise.

The following were voted permission to enter the meeting and speak on articles of concern to them: Lawrence Kaplan, William Salem, Steve Leary and his "Our Town" class, Anthony Orlando and Clyde Brini.

It was voted to omit the reading of the Warrant until taken up for action. The tape recorder had a malfunction at the beginning of the meeting, but was rectified in short order.

ARTICLE 1

Motion made and seconded that the Town appropriate \$320,000.00 to be expended under the direction of the Permanent Building and Maintenance Committee, for the construction of a new Town library, including the cost of original equipment and furnishings, to be located on the South Street site, and to meet the appropriation \$15,000.00 to be appropriated and transferred from Free Cash, \$5,000.00 be appropriated and transferred from the Massachusetts Free Public Libraries Account, and the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$300,000.00 under General Laws, Chapter 44, as amended.

Amendment was made that the total amount be \$285,000.00, with \$265,000.00 to be bonded. The AMENDMENT FAILED TO CARRY.

By secret ballot, under the by-laws, the vote on the original motion was 314 yes, and 128 no.

ARTICLE 2

Voted unanimously that the Town appropriate \$50,000.00 to be expended under the direction of the Permanent Building and Maintenance Committee, to be added to the appropriation voted under Article 1 in the Warrant for the October 25th, 1972 meeting, for the expansion of the Library building project to include a program room, including original equipment and furnishings, and to meet the appropriation \$5,000.00 be appropriated and transferred from Free Cash and the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$45,000.00 under General Laws, Chapter 44, as amended.

ARTICLE 3

Voted unanimously that the Town appropriate and transfer from Free Cash \$6,000.00 to be expended under the direction of the Board of Water Commissioners, to provide a water line and fire hydrant adjacent to the proposed library.

ARTICLE 4

Voted unanimously that the Town amend Article V, entitled: "Elected Town Officers" of the Town By-Laws by deleting the provision entitled "Trustees of William J. Leonard Memorial Library" including Section 1 and Section 2, and inserting in place thereof new sections 1, 2 and 3, inserting in place thereof the following:

"TRUSTEES OF NORWELL PUBLIC LIBRARY"

SECTION 1. There shall be six trustees of the Norwell Public Library, with two elected each year for a term of three years. The first Board of Trustees shall be constituted as follows: The two members of the present Board of Trustees of the William J. Leonard Memorial Library whose terms expire in 1974 and 1975 shall be members of the Board of Trustees for the Norwell Public Library and shall continue as such Trustees until the expiration of their present terms in 1974 and 1975; four other members shall be elected at the 1973 Annual Town Election, with one to serve for a one year term, one to serve for a two year term and two to serve for a three year term. Thereafter as terms expire trustees shall be elected for a term of three years,

SECTION 2. All public library facilities in the Town of Norwell, including the William J. Leonard Memorial Library, shall be under the supervision and control of the Trustees of the Norwell Public Library. The Trustees shall annually choose a chairman and a secretary. The Town Treasurer shall act as treasurer of the Board of Trustees.

SECTION 3. The Trustees of the Norwell Public Library may adopt such rules and regulations governing the use of the public library facilities as they may deem advisable. A copy of such rules and regulations and all amendments and revisions thereof shall be filed with the Town Clerk before they become effective."

ARTICLE 5

Voted that the Town appropriate and transfer from Free Cash \$50,000.00 to be

expended under the direction of the Permanent Building and Maintenance Committee, for the preparation of preliminary sketches and cost estimates for the conversion of the Sparrell Junior High to an elementary school.

ARTICLE 6

Voted unanimously that the Town accept General Laws, Chapter 40, Section 8D and thereby establish a Historical Commission for the Town of Norwell for the purposes and with the rights and duties provided by law, to be composed of five members, appointed by the Board of Selectmen, for terms of three years, except that initial appointments shall be: Two members for one year, two members for two years and one member for three years.

ARTICLE 7

Voted that the Town appropriate and transfer from Free Cash, \$19,000.00 to be expended under the direction of the Board of Health for the operation of the Town Dump.

ARTICLE 8

Voted that the Town appropriate and transfer from the escrow funds from Mr. Cossette, held by the Treasurer, \$1,000.00 to be expended under the direction of the Permanent Drainage Committee, to install drainage facilities in the Christopher Road area.

ARTICLE 9

Voted that the Town appropriate and transfer from Free Cash, \$40,000.00 to be expended under the direction of the Board of Selectmen for the reconstruction of the intersection of Old Oaken Bucket Road, Central Street and Norwell Avenue, and for the payment of any damages resulting from said reconstruction, with all but \$6,000.00 of the appropriation to be reimbursed to the Town.

ARTICLE 10

It was voted to indefinitely postpone action on Article 10.

ARTICLE 11

Voted that the Town appropriate and transfer from Free Cash, \$150.00, to be expended under the direction of the Board of Selectmen, for the purchase of a Memorial Plaque to be placed upon the standpipe on Paradise Drive.

ARTICLE 12

Voted that Article 12 be indefinitely postponed.

ARTICLE 13

Voted that Article 13 be indefinitely postponed.

ARTICLE 14

Voted that the Town appropriate and transfer from interest in the Washington Street Cemetery Perpetual Care Funds, \$1,000.00 to be added to the Washington Street Cemetery Salaries and Expenses account.

ARTICLE 15

Voted that the Town appropriate and transfer \$7,000.00 from the Treasurer's Bonding Cost Account and \$7,000.00 from the Temporary Loan Interest Account, to be expended under the direction of a committee to be appointed by the Moderator, to consist of three Registered Voters of the Town, the Treasurer-Collector and Town Accountant, for the purchase or leasing of billing and accounting equipment.

ARTICLE 16

It was voted to indefinitely postpone action on Article 16.

ARTICLE 17

Voted unanimously that the Town authorize and direct the Board of Selectmen to acquire, in fee simple, by purchase or by a taking by eminent domain, for use as a storage and maintenance facility for the Tree and Public Grounds Department, the land located on the WESTERLY side of SOUTH STREET, containing approximately 1.60 acres, shown on a plan entitled: "PLAN OF LAND IN NORWELL HENRICH DEV. TRUST - OWNER M. T. SHAW - HALIFAX, R. L. S. 19 April, 1966", recorded with Plymouth County Registry of Deeds, a copy of which is on file in the Town Clerk's office, with said parcel being bounded and described according to said plan as follows:

EASTERLY	by SOUTH STREET, 40 feet;
SOUTHERLY	by land now or formerly of WATT, 220 feet;
EASTERLY	by land now or formerly of WATT, 200 feet;
SOUTHERLY	by land now or formerly of CRANTON 178.50 feet;
SOUTHWESTERLY	by land of said CRANTON, 133.85 feet;
NORTHWESTERLY	by land now or formerly of NUCCI, 199.90 feet;
NORTHERLY	by land now or formerly of NUCCI and BELL, 438.43 feet;

and to appropriate and transfer from Free Cash therefore, and all expenses in connection therewith \$4,500.00.

ARTICLE 18

Voted unanimously that the Town appropriate and transfer from Free Cash \$600.00 to be expended under the direction of the Permanent Building and Maintenance Committee, for preliminary plans and cost estimates for the construction of a building, for use by the Tree and Public Grounds Department for equipment storage and maintenance.

ARTICLE 19

Voted unanimously that the Town amend SECTION XI of the Zoning By-Laws by deleting the provisions thereof and substituting in place thereof the following:

"This Zoning By-Law may be from time to time changed by amendment, addition, or repeal, but only in the manner set forth in General Laws Chapter 40A."

ARTICLES 20 through 25

Motion made that Articles 20 through 25 be deferred and re-committed to the Planning Board.

Motion made to defer Articles 20, 22, 23, 24 and 25 only. This motion was DEFEATED.

Motion made that Article 25 be withdrawn from the original motion. This amendment was also DEFEATED.

Reconsideration was moved by 7 registered voters to remove Article 21 from the main motion. Voted yes 72, no 146. The amendment was DEFEATED.

The Main Motion, to defer action Articles 20 through 25 and recommit to the Planning Board, CARRIED.

ARTICLE 26

Motion made that the Town accept the provisions of General Laws Chapter 48, Section 42, and by reference, Sections 43 and 44, which provide, in essence, for the establishment of a fire department to be under the control of an officer, to be known as the chief of the fire department. This motion was defeated.

ARTICLE 27

Voted unanimously that the Town authorize and direct the Board of Selectmen to transfer a parcel of land containing approximately 5,000 square feet of land owned by the Town of Norwell to the Recreation Commission, located on the SOUTHWESTERLY SIDE OF DORIS AVENUE, shown as LOT NO. 108 on Page 12D of the ASSESSORS' ATLAS, on file in the Assessor's Office, bounded and described as follows:

SOUTHWESTERLY	by Doris Avenue
NORTH	by land of the Town of Norwell
WESTERLY	by Lot No. 109
EASTERLY	by Lot No. 107

to be used for public playground, athletic and recreational purposes, under the direction of the Recreation Commission.

ARTICLE 28

Voted that the Town appropriate and transfer from Free Cash, \$1,500.00 to be expended under the direction of the Superintendent of Public Grounds and the Recreation Commission, for the installation of a drainage area for the Middle Little League Field which is part of the three existing Norwell Little League Fields on Main Street.

The business of the Warrant having been completed, it was VOTED to adjourn, at 11:30 P. M.

Nellie G. Tarr

Nellie G. Tarr

Town Clerk

Town of Norwell, Mass.

THE COMMONWEALTH OF MASSACHUSETTS

WARRANT FOR STATE ELECTION

NOVEMBER 7, 1972

OFFICERS AND QUESTIONS ON OFFICIAL BALLOT

Plymouth, ss

Greetings:

To either of the constables of the Town of Norwell

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Town, who are qualified to vote in elections, to meet in the Sparrell Junior High School, Main Street, Norwell

Tuesday, the seventh day of November, 1972

at 6:00 o'clock A.M. for the following purposes:

To bring in their votes to the Election Officers for the election of candidates of political parties for the following offices:

Electors of President and Vice President; Senator in Congress; Congressman, Seventh District; Councillor, First District; Senator, Norfolk and Plymouth District; Representative in General Court, Ninth Plymouth District; Register of Pro-

bate and Insolvency, Plymouth County; County Commissioners (2); County Treasurer and Sherrif.

QUESTIONS

Question No. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 221 votes in the affirmative and 22 in the negative, and in a joint session of the two branches held May 12, 1971, received 238 votes in the affirmative and 14 in the negative?

YES
NO

SUMMARY

The proposed amendment would authorize the Legislature to enact a law that agricultural and horticultural lands shall be valued, for taxation purposes, according to their agricultural or horticultural uses. No parcel of land less than five acres which has not been actively devoted to such uses for two years preceeding the tax year could be valued at less than fair market value.

Question No. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 143 votes in the affirmative and 113 in the negative, and in a joint session of the two branches held May 12, 1971, received 243 votes in the affirmative and 11 in the negative?

YES
NO

SUMMARY

The proposed amendment would bring the State Constitution into conformity with the 26th Amendment to the Constitution of the United States by setting the minimum age for voting at eighteen.

Question No. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 258 votes in the affirmative and 0 votes in the negative and in a joint session of the two branches held May 12, 1971, received 243 votes in the affirmative and 11 in the negative?

YES
NO

SUMMARY

The proposed amendment would remove the prohibition against paupers from voting.

Question No. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 264 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 12, 1971, received 264 votes in the affirmative and 0 in the negative?

YES

NO

SUMMARY

The proposed amendment would authorize the Legislature to enact a law to permit the Commonwealth to make loans for tuition and board at any college, university or institution of higher learning to students who are residents of the Commonwealth.

Question No. 5

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 5, 1969, received 239 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 12, 1971, received 266 votes in the affirmative and 0 in the negative?

YES

NO

SUMMARY

The proposed amendment would annul Article 49 of the Articles of Amendment to the Constitution and substitute a new amendment which declares that the people have the right to clean air and water, freedom from excessive and unnecessary noise, and the natural, scenic, historic and esthetic qualities of their environment. It further declares that the protection of the right to the conservation, development and utilization of the agricultural, mineral, forest, water, air and other natural resources is a public purpose.

The Legislature is authorized to adopt necessary legislation and to provide for eminent domain takings where required for the purposes of the amendment. Any property so taken may only be used for other purposes or disposed of upon a two-thirds vote of the Legislature.

Question No. 6

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 2, 1969, received 204 votes in the affirmative and 49 votes in the negative, and in a joint session of the two branches held May 12, 1971, received 245 votes in the affirmative and 20 in the negative?

YES

NO

SUMMARY

The proposed amendment would authorize, but not require the Legislature to modify the Massachusetts income tax laws by the use of graduated rates instead of

the present flat or uniform rates. The Legislature could do this in any one of three ways:

1. Apply a uniform rate or percentage to an individual's federal income tax liability; or
2. Apply graduated rates to an individual's federal taxable income; or
3. Apply graduated rates to income determined to be taxable under Massachusetts law.

The Legislature would also be authorized to provide for reasonable exemptions, deductions and abatelements and make the definition of any term used in the state tax law automatically the same as it is under Federal Law.

Question No. 7

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 198 votes in the affirmative and 63 in the negative, and in a joint session of the two branches held May 12, 1971, received 231 votes in the affirmative and 31 in the negative?

YES
NO

SUMMARY

The proposed amendment would require that all judges must retire upon reaching seventy years of age.

Question No. 8

Do you approve of an act passed by the general court in the year nineteen hundred and seventy-two, entitled "An Act lowering to eighteen years the age requirement of a person licensed to sell or allowed to purchase alcoholic beverages?"

YES
NO

Question No. 9

"Shall the voluntary recitation of prayer be authorized in the public school of the Commonwealth?"

YES
NO

Question No. 10

"Shall the Representative from this district be instructed to vote to approve the passage of a constitutional amendment reducing the size of the Massachusetts House of Representatives from 240 members to 160 members?"

YES
NO

Question No. 11

"Shall the Representative from this district be instructed to approve the passage of an anti-abortion amendment to the Constitution of the Commonwealth which would guarantee the right to life, from the moment of conception, to every human being?"

YES
NO

Question No. 12

"Shall the Representative from this district be instructed to vote to approve the passage of a bill which would require all members of the State Senate and House of Representatives to file with the Secretary of State a report of their financial assets and sources of income?"

YES

NO

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 27th day of October, A. D. 1972.

James P. Hall, *Chairman*
John Petze
Richard A. Leahy
Selectmen of Norwell

A true copy

Attest: Theodore A. Baldwin, Constable

Date: 10/29/72

THE POLLS WILL BE OPEN FROM 6:00 O'CLOCK A.M. TO 8:00 P.M.

The Gordon Building	

RECORD OF THE STATE ELECTION, NOVEMBER 7, 1972

Town of Norwell, Mass.

Pursuant to the foregoing Warrant, the election workers met at the Sparrell Junior High School at 5:30 A. M. on November 7, 1972. The following election workers were sworn in by the Town Clerk;

Wilder A. Gaudette, Warden	Mary E. McBrine, Clerk
Jessie R. Bailey	David Bond
Mildred M. Carr	Martha T. Fuller
Katherine R. Fuller	Deidre Johnson
Carol Esterberg	Ann Golemme
Peirce Fuller	Barbara McKay
Jean M. Lantz	Carmella Molla
Eleanor F. Gay	Eleanor McLeod
Daniel Lincoln	Jean L. Perry
John D. Lindsay	Julia Rosebach
Betty L. Long	J. Ann Valair.

Voting machine technician William G. Tarr, was on duty all day; together with Mr. Raymond Honey, Automatic Voting Machine Company representative.

The polls were declared open at 6:00 A. M. by the Warden. The voters continued to cast their ballots throughout the day and evening. The polls were declared closed at 8:00 P. M.; a constable was stationed at the end of the line of people waiting, and they were all allowed to vote. Voting was concluded at 9:15 P. M.

After voting was completed, the absentee ballots were cast by the Warden and Town Clerk, being duly checked off on the voting lists. Mrs. Carmella Molla was ballot box attendant.

Total ballots cast: 3923, which included 171 absentee votes; 14 partial ballots, including 1 absentee partial ballot; and 4 ballots of unregistered service personnel.

Upon being counted in open meeting, the following results were announced by the Warden at the completion of the total tally:

Attest:

Nellie G. Tarr,
Town Clerk

RECOUNT, DECEMBER 7, 1972

In accordance with a petition duly filed on behalf of William D. Weeks, candidate for Representative in Congress, 12th District, the Board of Registrars of the Town of Norwell held a recount on December 7. The candidates, Warden of the Election and Town Counsel were previously notified of the time and place.

Present were Mrs. Ruth M. Murray, Chairman of the Board of Registrars; Mrs. Martha A. Witcher and Paul B. MacDonald, members of the Board; Mrs. Nellie G. Tarr, Clerk of the Board; David Lee Turner, Town Counsel; Wilder A. Gaudette, Warden of the election; Observers for Gerry Studds: Claire E. Foulsham, Elinor P. Fewkes, Debra C. Packard and Jacqueline L. Magazu. Observers for William Weeks: Caroline P. Richards, Mary Jane E. MacArthur, Mary F. Knapp and Roy R. Richardson.

The absentee ballot applications and envelopes; the counted paper ballots in their sealed envelopes; the new tally sheets and the originals from the November 7 election; the printomatic sheets from the 15 voting machines, the printed sheet containing write-in votes from the voting machines — were all produced from the vault for perusal.

The printed sheets from the voting machines were checked first and the totals checked, and found to be the same as the original count.

The absentee ballots were inspected and counted:

BLOCK 1 — Studds 22, Weeks 26, Blanks 2 — the same as the original tally

BLOCK 2 — Studds 17, Weeks 31, Blanks 3 — for a total of 51 ballots in the block. 1 ballot was challenged, originally counted as a blank. The

Board of Registrars inspected it and voted unanimously that it should be counted for Studds. This was sealed in the envelope after being noted that it was to be counted for Studds, and signed by each Registrar. Town Counsel advised that the office for which the vote was cast should also be noted on the ballot. The envelope was opened and the office was added to the ballot as instructed by Town Counsel. The envelope was then re-sealed and the seal signed by the Registrars.

BLOCK 3 – Studds 24, Weeks 25, Blanks 1. The original tally was Studds 23, Weeks 25, Blanks 2. The ballots were re-counted again individually and the final tally was Studds 24, Weeks 25, 1 Blank.

BLOCK 4 – Studds 4, Weeks 1, Blanks 1.

There were 2 challenged ballots received at the November 7 election. Town Counsel ruled that the envelope containing the challenged ballot should not be opened. Mr. Cauchon, Attorney for Mr. Studds, protested Town Counsel's ruling, for the record. The challenged ballots have not been cast nor counted. They are in the original envelope in which they were placed on the day of election.

Original Tally:

Studds 1705

Weeks 2113

Blanks 105

Recount Tally:

Studds 1706

Weeks 2113

Blanks 104

Total 3923

(includes 14 blanks for the partial ballots for only President and Vice President)

NORWELL BOARD OF REGISTRARS

Ruth M. Murray, *Chairman*

Martha A. Whitcher

Paul B. MacDonald

AUDIT

Pursuant to General Laws, Chapter 44, Section 40, the Town Clerk hereby publishes the following: —

“ The Commonwealth of Massachusetts
 Department of Corporations and Taxation
 Bureau of Accounts

Mail address:
P. O. Box 7015
Boston, Mass. 02204

February 15, 1972

To the Board of Selectmen
Mr. James P. Hall, Chairman
Norwell, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the Town of Norwell for the period from September 22, 1968 to August 14, 1971, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Walter F. Abel, Assistant Chief of Bureau.

Very truly yours,
/s/ Gordon A. McGill
Director of Accounts.”

ANNUAL REPORT OF THE BOARD OF REGISTRARS

The year 1972 has been a very busy one for the Board of Registrars. They have registered 1051 people to vote, contrasted to the 461 people registered during the entire year of 1971.

The Presidential election, as always, brought out a lot of people who were eligible to become voters, but for one reason or another had neglected to do so. Between August 19 (the final day of registration prior to the September Primary) and October 7 (the final day to register to vote prior to the November 7 election) the Board of Registrars added 410 new names to the voting list — almost as many as during the entire year of 1972.

Voter registration was conducted from 9:00 A. M. to 4:30 P. M. daily in the Town Clerk's office. Also on the following additional days:

	February 12, Saturday	1 — 3 P. M.
	February 22, Tuesday	noon to 10 P. M. (before Annual Town Meeting and Election)
	March 14 and 21, Tuesdays	7 — 9 P. M.
	March 25, Saturday	noon to 10 P. M. (before April 25th Presidential Primary)
	August 8 and 15, Tuesdays	7 — 9 P. M.
	August 19, Saturday	noon to 10 P. M. (before September 19th Primary)
	September 26, Tuesday	7 — 9 P. M.
	October 3, Tuesday	7 — 9 P. M.
	October 7, Saturday	noon to 10 P. M.
MASS. HOLIDAY	October 9, Monday* (*for partial ballots) (before November 7th election)	noon to 10 P. M.
	October 20, Friday	9 A. M. to 7 P. M. (before Special Town Meeting)

Recent legislation changed the residency requirements from a year in the Commonwealth and 6 months in the Town. First — only 6 months in both Commonwealth and Town was required. Final legislation made only 31 days residency a requirement to register to vote. Rules have been relaxed so that no one should be unable to vote — but still people do neglect to appear for registration during the proper times, or after the closing dates, set by law, prior to town meetings and elections. The newspapers, radio and television have been very informative, especially this year, so the public should have been well-informed. A call to the office of the Town Clerk can straighten out questions regarding dates of registration, party affiliations, etc.

As of December 1, 1972, the registered voters were listed as follows:

Democrats	1058
Republicans	1240
Unenrolled	2394

Total registered voters — 4692.

The term "unenrolled" means not registered in either political party.

The Board of Registrars also conducted 2 recounts – the first one on April 1st of the write-in and sticker votes cast at the Annual Town Election in March. The second one was on December 7, of the November 7 votes cast for Representative in Congress in the 12th District.

The Board of Registrars, under the provisions of Chapter 51, Section 6, of the General Laws (Ter. Ed.) as amended by Chapter 440, Section 4, of the Acts of 1938, is charged with the responsibility of each year listing every resident of the Town who lived there as of January 1st. There are over 2,000 dwellings in Norwell, and each one must be visited by the enumerators. Included are all persons who consider Norwell their legal residence – those in the Armed Forces, Peace Corps, college students, etc. This listing of residents starts the day after the New Year and continues until all residents have been listed. The enumerators have credentials and should be given cooperation in this required task. It occasionally becomes necessary to enlist the aid of the police in obtaining information, but only as a last resort.

NORWELL BOARD OF REGISTRARS

Ruth M. Murray, *Chairman*

Paul B. MacDonald

Martha A. Whitcher

Nellie G. Tarr, *Clerk*

REPORT OF THE
MASSACHUSETTS HISTORICAL COMMISSION

This Commission was appointed so that Norwell can be included by a deadline of June 30, 1973 in the inventory of historical, architectural and archaeological assets required for the Commonwealth's Preservation Plan which covers all Massachusetts natural and cultural resources.

Acting under Chapter 40, Section 8D of the General Laws and the vote of the Town to establish such a commission, the Selectmen on November 7, 1972 appointed the six undersigned Commissioners and called a public Open Meeting at 9:30 A. M. on December 2 at Cushing Memorial Town Hall where a chairman and secretary were chosen. The secretary then reported to the State House and received mapping and recording instructions which were studied at workshop meetings on December 9 and 16. At this time the Commission accepted the offer of help from Miss Helen G. Lincoln who was appointed general recorder.

All Commissioners and volunteer assistants are unpaid, donating personal time and expenses, and act only under written authority. Certain required maps, file materials and photographs need to be provided by the Town as work progresses.

Respectfully submitted,

J. Richard Hartigan, *Chairman*

Mildred T. Hastings

Catherine M. Hunt

Jonathan H. Bond

Quentin L. Coons, *Secretary*
